WHEREAS KANSAS DIGEST is composed of a series of volumes which catalog and briefly summarize both Kansas case law and some federal case law; and

WHEREAS in June, 1994, Legal Services for Students was informed by West Publishing Corporation that the entire KANSAS DIGEST set would be replaced with KANSAS DIGEST 2ND; and

WHEREAS the reasons cited by the publisher for the replacement include the following:

1) the expansion of case law and the development of many new topics in recent years have necessitated increased supplementation to keep current volumes up-to-date,
2) future supplementation alternatives have been carefully considered but found to be substantially disadvantageous to attorneys using the DIGEST, and
3) the provision of the most convenient and current case-finding service mandates the change; and

WHEREAS no further supplements will be published for the old KANSAS DIGEST; and

WHEREAS KANSAS DIGEST is consulted by the attorney for Legal Services for Students almost daily as a quick research tool; and

WHEREAS KANSAS DIGEST is an essential part of the Legal Services library;

WHEREAS the cost of the KANSAS DIGEST 2ND volumes was not anticipated when the Legal Services budget request was made or approved; and

BE IT ENACTED THAT:

SECTION 1: Legal Services be allocated $1,530.00 to pay for the KANSAS DIGEST 2ND volumes.

SECTION 2. The above change be submitted to the College Councils as specified in the SGA Constitution under Article X. SECTION 1001. Letter A. and in the By-Laws under Article II. Section 1.

SUMMARY: During the 1993-1994 academic year, the Student Senate allocated funds to the purchasing of Collegian space for the publishing of what has been entitled “SGA Unplugged.” Because of the importance of the information within that space and the necessity to tightly review all activities being funded with student fees, this legislation seeks to have either the Student Senate Executive Committee (in cases of major publications) or the Student Senate Chair (in cases of minor publications) to serve as a review mechanism for all information to be published in the Collegian that will be funded with student fees by SGA.

SECTION 1: All minor materials to be sent to the KSU student newspaper “The Collegian” for publication by SGA, which will require the expenditure of student fees and/or monies in order to be printed, will have to be reviewed and approved by the Student Senate Chair prior to publication. Such publications will only include immediate expenditures for position and/or application notification within the student newspaper.

SECTION 2. All major materials to be sent to the KSU student newspaper for publication by SGA, which will require the expenditure of student fees and/or monies in order to be printed, will have to be reviewed and approved by the Student Senate Executive Committee prior to publication. Such publications will include all other immediate expenditures other than advertisements for position and/or application notification within the student newspaper.

SECTION 3. The Student Senate Chair will review all minor materials (as is defined in SECTION 1) for factual, typographical or grammatical errors and will make the appropriate changes prior to publication of such materials within the KSU student newspaper.

SECTION 4. The Student Senate Executive Committee will review all major materials (as is defined in Section 2) for factual, typographical or grammatical errors and will make the appropriate changes prior to publication of such material within the KSU student newspaper.

SECTION 5. The Student Senate Chair must personally sign off on the publication of any such minor materials prior to their publication, otherwise no student funds will be released for payment on any items that fail to receive the approval of the Senate Operations Committee and the chair.

SECTION 6. The Student Senate Executive Committee must personally sign off on the publication of any such major materials prior to their publication, otherwise no student funds will be released for payment on any items that fail to receive the approval of the Senate Operations Committee and the chair.

4. Submit the legislation to Student Senate without committee endorsement.

5. Amend the legislation by a majority vote of the committee and send it to Student Senate. If the sponsor(s) of the original legislation is in disagreement with the changes made by the committee, then their name(s) shall be removed and the committee will be the sponsor of the legislation.

BY-LAW REVISION: DATE OF SGA ELECTIONS

BY: Senate Operations, Bryndon Meinhardt

SUMMARY: The original intent of having elections the second full week of April was to provide enough time for a smooth transition in office before finals week. The academic calendar has gradually been moved up from year to year making finals near the beginning of May. The current By-Laws do not reflect this moving of the academic calendar. This legislation would move up the Student Body election one week so that it would occur during the first full week of April.

BE IT ENACTED THAT:

SECTION 1: Article 1, SECTION 1, Letter B, of the KSU SGA By-Laws be amended to read as the following:

The election date for all SGA student body elections, including college councils, shall be held the Tuesday and Wednesday of the second (2nd) full week before Spring Break.

SECTION 2. This bill shall go into effect for the 1995-1996 legislative term.

REPEALER OF BY-LAW SECTION ON OATH IN CONFLICT WITH PROVISION IN CONSTITUTION

BY: Senate Operations Committee

SUMMARY: An existing KSU SGA By-Law is in conflict with the provisions of the KSU SGA Constitution on the method of giving the oath of office to SGA Officers and Senators. Because the Constitution is superior over the By-Laws, this bill would repeal the conflicting By-Law section, thus leaving the Constitutional provisions as the controlling law.

BE IT ENACTED THAT:

SECTION 1: Article V, Section 5.B. of the KSU SGA By-Laws is hereby repealed.

SECTION 2. The remaining sub-sections of Section 5. be re-lettered accordingly.

BY-LAW REVISION: DATE OF SGA ELECTIONS

BILL 94/95/108

BY: Senate Operations Committee

SUMMARY: The original intent of having elections during the second (2nd) full week of April was to provide enough time for a smooth transition in office before Finals Week. The academic calendar has gradually been moved up from year to year, making Finals Week near the beginning of May. The current By-Laws do not reflect this moving of the academic calendar. In addition, adequate time is needed before the end of the school year to approve appointments made by the Student Body President and the Student Senate Chair to positions that function during the summer months, including the Attorney General. This legislation would move up the Student Body elections to two weeks before Spring Break, so that adequate time would remain for a smooth and efficient transition before the end of the year.

BE IT ENACTED THAT:

SECTION 1: Article 1., Section 1.B.1. of the KSU SGA By-Laws is hereby amended to read as follows:

1. The election date for the office of Student Body President and Student Body Vice President, Student Senate and Board of Student Publications, all SGA student body elections, including college councils, shall be the Tuesday and Wednesday of the second (2nd) full week of April before Spring Break.

SECTION 2. This bill shall take effect at the beginning of the 1995-1996 legislative term.

OPPOSITION TO STUDENT FUNDING OF NEW PARKING INITIATIVES

BY: Dan Lewerenz

WHEREAS studies of parking at Kansas State University have indicated that an adequate number of parking spaces exist on campus, with spaces available at all times of the day and night; and

SECTION 1. Student Senate opposes any initiative which will increase the cost of parking permits or fees for students at Kansas State University.

SUPPORT OF A CAPPED LINEAR-RATE TUITION STRUCTURE

SUPPORT OF INCREASING
METERED PARKING TO 50 CENTS

BY: John Riedel, Philip Mudd, Dan Lewerenz, Michael Augustine, Aubrey Abbott, Jason Mitchell, Jon Perez, John Schoenthaler, Ashley Weekly, Russell Fortmeyer, Bob Van Cleave, Steve Weatherman, Jereme Brueggemann, Heath Anderson and Wendy Strevey

WHEREAS Parking Council has recently proposed to increase the price of metered parking from 25 cents per hour to 75 cents per hour for all campus meters except those in Lot Cl and Lot C2 (Recreation Complex), and

WHEREAS A moderate increase in metered parking rates is necessary because:

1. Metered parking rates have never risen since their implementation in 1988, thus not keeping up with increases in permit rates,

2. An increase in metered parking fees to the rate of 50 cents per hour would add approximately $150,000 to Parking Services budget for FY 95-96, thus minimizing increases in other parking fees,

3. Metered stalls were originally intended to accommodate more visitor parking and to make short trips to campus buildings convenient,

4. Many people have abused this intent by parking in metered stalls for extended periods of time by repeatedly feeding the meter upon its time expiration,

5. Metered parking is located in the prime areas of campus, and many vehicle drivers demand these spots and are willing to pay more for them; and

WHEREAS An increase from 25 cents per hour to 75 cents per hour for metered parking, thus tripling the hourly cost, is too much of an increase.

BE IT RESOLVED THAT:

SECTION 1. Student Senate supports an increase in University parking meter rates from 25 cents per hour to 50 cents per hour for all parking meters except those in Lot Cl and Lot C2.

SECTION 2. A copy of this resolution shall be delivered to the KSU Council on Parking Operations upon passage.
