BILL ADOPTED BY A VOTE 53-0 SEPTEMBER 5, 1996.
SUMMARY: While it is generally inferred, the SGA Constitution does not contain a provision that establishes that the Student Body President appoints the Attorney General, subject to the approval of Student Senate. This bill would clarify this process.

BE IT ENACTED THAT:

SECTION 1. Article VI, Section 601.E. of the SGA Constitution is amended to read:

E. The SGA Attorney General shall be appointed by the Student Body President. The appointment shall be subject to the approval of Student Senate. Unless otherwise provided, the SGA Attorney General, in consultation with the Student Body President, shall appoint members to judicial boards. The Attorney General, in consultation with the Dean of Student Life or designee, shall determine which judicial boards shall be authorized to hear each case.

SECTION 2. This bill shall take effect when ratified by college councils.

BILL ADOPTED BY A VOTE OF 52-0
SEPTEMBER 12, 1996.
BILL 96/97/07  

BY-LAWS AMENDMENT CONCERNING THE TIME APPOINTMENT OF THE ATTORNEY GENERAL NOMINEE INTERVIEW COMMITTEE

BY: Bill Muir and Phil Anderson

SUMMARY: As the SGA Elections will be changed in 1997 to be held before Spring Break, the time period between then and the end of the school year is drastically increased over previous years. In recognition of this lengthened period, this bill would make the selection of the Attorney General Nominee Interview Committee the responsibility of the new Chairperson of Student Senate, instead of the previous Chairperson.

BE IT ENACTED THAT:

SECTION 1. Article V, Section 8.B. of the SGA By-Laws is amended to read:

B. Nominees for the Attorney General position shall be interviewed by an Attorney General Nominee Interview Committee, which shall be appointed no later than the first (1st) second (2nd) Student Senate meeting following the election of the Chairperson of Student Senate. The committee shall be composed of five (5) Student Senators and the present Attorney General. The Student Senators shall be appointed by the Chairperson of Student Senate, subject to Student Senate approval. The present Attorney General shall be Chairperson of the Committee and shall vote only to break a tie. A quorum of the committee shall be three (3) members, not including the present Attorney General.

SECTION 2. This legislation shall take effect upon passage.

BILL ADOPTED BY A 2/3 VOTE OF 52-0  
SEPTEMBER 12, 1996.
BILL 96/97/08  BY-LAWS AMENDMENT TO REPEAL SECTION CONCERNING CABINET NOMINEE INTERVIEW COMMITTEE

BY: Bill Muir and Phil Anderson

SUMMARY: The By-Laws currently provide for a Cabinet Nominee Interview Committee to interview nominees for the Chief of Staff position, as outlined for the Attorney General Nominee Interview Committee in Article V, Section 8.B. of the By-Laws. This section was enacted before the advent of the Student Body Vice-President position and before the placement of the Attorney General as Chairperson of the Attorney General Nominee Interview Committee. Because of such complications, this provision of the By-Laws has been ignored for several years. This bill would repeal this provision.

BE IT ENACTED THAT:

SECTION 1. Article IV, Section 4. of the By-Laws is repealed.

SECTION 2. Article IV, Section 5. of the By-Laws is renumbered as Section 4.

SECTION 3. This bill shall take effect upon passage.

BILL ADOPTED BY A VOTE OF 52-0 SEPTEMBER 12, 1996.
BILL 96/97/09

WHEREAS: A well-acquainted, well-educated, cooperative SGA is an efficient and effective SGA; and

WHEREAS: There is much room for improving inter-branch relations; and

WHEREAS: A stronger student government will produce a stronger university and benefit all KSU students; and

WHEREAS: A well-organized retreat will enable the members of SGA to become educated, cooperative and efficient; and

WHEREAS: Previous retreats have been funded by student monies; and

WHEREAS: This year’s retreat has been formatted to decrease the cost to the student body, in general; and

WHEREAS: The Student Foundations Account can not be used, due to funding guidelines; and

WHEREAS: Corporate sponsorship has been sought to help defray some of the costs of the retreat;

BE IT ENACTED THAT:

SECTION 1. Members of the Executive Committee be required to pay $15 to help defray the cost of retreat.

SECTION 2. Student Senators, Student Senate Interns and Cabinet Members be required to pay $10 to help defray the cost of retreat.

SECTION 3. The payment shall be in the form of cash given to the SGA Treasurer, Bret Glendening on or before September 19, 1996.

BILL 96/97/10  AMENDMENT TO SGA STUDENT ACTIVITY FEE FUNDING REGULATIONS

BY: Bret Glendening, Gabe Eckert, Robin Cates

WHEREAS: Student Senate unanimously passed new funding regulations for the Student Activity Fee on September 5, 1996; and

WHEREAS: It is unfair to allow a group to “double dip” from the abundant pool of student money that is created every year through the privilege fee system;

BE IT ENACTED THAT:

SECTION 1. Section I.A.1 be amended by adding an additional sub-section c. reading, “Any University Activities Board organization may receive funding from only one privilege fee area.”

SECTION 2. This legislation shall take effect upon passage.

BILL PULLED FROM COMMITTEE AND WITHDRAWN NOVEMBER 14, 1996.
BILL 96/97/11

BY-LAWS AMENDMENT TO REPEAL SECTION
CONCERNING STUDENT SENATE LIAISONS

BY: Cara Redhair

SUMMARY: The By-Laws in Article V, Section 4 C currently require the Communications Committee to assign student senate liaisons no later than the third meeting of the Senate term. The Allocations Committee has taken over the responsibilities that the liaisons have been outlined to do. Because of this switch, this provision of the By-Laws has been ignored for several terms. This bill would repeal this provision.

BE IT ENACTED THAT:

SECTION 1. Article V, Section 4 C of the By-Laws is repealed.

SECTION 2. This bill shall take effect upon passage

BILL ADOPTED ON ROLE CALL VOTE OF 52-0
SEPTEMBER 19, 1996.
BY-LAWS AMENDMENT CONCERNING
APPROVAL OF UNIVERSITY ACTIVITIES
BOARD POLICIES BY STUDENT SENATE

BY: Michelle Cooper, Chris Avila, Aubrey Abbott, Jill Hayhurst, Bret Glendening, Patrick Carney and Bill Muir

SUMMARY: The SGA By-Laws currently provide that the University Activities Board (UAB) has the authority to establish “their own policies and rules or procedures, with…the advice and approval of Student Senate”. UAB has a Constitution and By-Laws, rules and policies. The By-Laws, policies and procedures of UAB being subject to this cumbersome and time-consuming approval process is not appropriate. This amendment would retain the jurisdiction of the Student Senate over the UAB Constitution and rules on organizational classification (which affects Privilege Fee matters), but allow UAB to determine By-Laws, policies and procedures as they see fit. The language is very similar to that for Senate ratification of College Council charters (constitutions). (Amended by Senate Operations Committee)

BE IT ENACTED THAT:

SECTION 1. Article V, Sections 12.C. an D. of the By-Laws are amended to read:

C. establish their own policies and rules or procedures Constitution and rules on organizational classification, with the advice of the Council on Student Affairs, Dean of Student Life or designee and with the advice and majority approval of the total membership of Student Senate; and

D. establish and enforce UAB policy By-Laws, policies and procedures.

SECTION 2. This bill shall take effect upon passage.

BILL 96/97/14  AMENDMENT TO SGA FUNDING REGULATIONS FOR STUDENT ACTIVITY FEE

BY:  Allocations Committee

SUMMARY: In the previous funding regulations, “supplies” were not to be purchased with student activity fee money. Exceptions were made to accommodate Institutional Services and College Councils. Under the current funding regulations, “supplies” cannot be purchased at all. This amendment will allow Institutional Services to purchase “supplies”. It will also allow all student groups to purchase only those “supplies” that are directly needed to successfully carry out a specific project, and College Councils will be allowed to purchase “supplies” for their respective Open Houses.

BE IT ENACTED THAT:

CONSTITUTIONAL AMENDMENT CONCERNING
DUTIES OF STUDENT SENATE CHAIR AND
APPOINTMENT OF SENATE SECRETARY
AND PARLIAMENTARIAN

BY: Michelle Ecklund, Sean Tomb, Aaron Truax, Jeff Dougan, Robin Cates, Jason Floyd, Aubrey Abbott, Jill Hayhurst, Michael Rottinghaus and Bill Muir

Amended By Senate Operations Committee

SUMMARY: The Student Senate Chair, under general tradition, has submitted the name of the Student Senate Secretary and Student Senate Parliamentarian to Student Senate for approval. The SGA Constitution does not contain a provision that makes such appointment subject to approval of Student Senate. Since both positions are “officers” of Student Senate and the Parliamentarian is “second-in-line” to chair meetings of Student Senate, approval of both these positions by Student Senate is appropriate. This bill would clarify this process. Also, with the elimination of class credit for Student Senate participation, the duty of the Student Senate Chair to administer academic grades for senators and interns is no longer needed.

BE IT ENACTED THAT:

SECTION 1. Article V, Section 505. of the SGA Constitution is amended to read:

505. The following shall be Officers of Student Senate.

A. Chairperson of Student Senate, who shall be elected by Student Senate by majority vote.

B. SGA Treasurer/Allocations Chair, who shall be selected in the manner provided in the By-Laws to this Constitution.

C. Vice Chair of Student Senate, who shall be elected by Student Senate by majority vote.

D. Secretary of Student Senate, who shall be appointed by the Chairperson of Student Senate and shall be subject to the approval of Student Senate.

E. Parliamentarian, who shall be appointed by the Chairperson of Student Senate and shall be subject to removal from office by him/her. The appointment shall be subject to the approval of Student Senate. The Parliamentarian shall not hold any elective office in the legislative branch, except as outlined in the By-Laws to this Constitution.

F. Standing committee chairpersons.

G. Faculty Senate Representative, who shall be elected by Student Senate by majority vote.
G. H. Such officers as Student Senate may deem necessary for the proper functioning of Student Senate.

SECTION 2. Article V, Section 506. of the SGA Constitution is amended be repealing subsection L. thereof and relettering the remaining sub-sections.

SECTION 3. This bill shall take effect when ratified by college councils.

BY: Privilege Fee Committee, Aaron Otto

WHEREAS: the Privilege Fee funding structure was established during the 1995-1996 Student Senate Term, and

WHEREAS: excess funds generated by the campus privilege fee will be divided into the two accounts in the following manner as adopted in Senate Bill 95/96/61:

1. Fifty percent (50%) of the additional revenue will be deposited into the Campus Fee Adjustment Account.

2. Fifty percent (50%) of the additional revenue will be deposited into the Campus Fee Reserves Account to maintain a 2.5% base level of the total Campus Privilege Fee base budget.

3. When the Campus Fee Reserves Account reaches the 2.5% threshold of the total base, the excess revenue will be placed in the Campus Fee Adjustment Account.

4. If enrollment decreases are anticipated, some portion of the Campus Fee Adjustment Account will be placed into the Campus Fee Reserves Account to assure the minimum limit can be maintained throughout the enrollment decrease.

WHEREAS: spending regulations for the Campus Fee Reserves Account and Campus Fee Adjustment Account have not yet been developed, and

WHEREAS: these spending regulations will serve as guidelines for how these two accounts should be administered,

BE IT ENACTED THAT:

   A. Unforeseen budget adjustments- These budget adjustments:

   1. Shall be based on effects of changes in usage, increasing operating cost, emergency repairs and/or replacements.
   2. Shall not be used for new items or services, or used to change the substance of an item or service over what was included in the annual budget passed by Student Senate.
B. **Usage budget adjustments**—These budget adjustments:
   1. Shall be allocated for expense due to unforeseen usage changes.

C. **Supplemental budget enhancements in lieu of budget increases**—These budget enhancements:
   1. Shall be allocated on a one-time basis during the year that the Privilege Fee group is being reviewed by Student Senate.

D. Deposited into the Campus Fee Reserves Account.

E. Used to repay bonds outlined in Section II.A. of the Campus Privilege Fee System.

II. Campus Fee Reserves Account should maintain a 2.5% base level of the total Campus Privilege Fee base budget. The monies deposited in the Campus Fee Reserves Account can be allocated to the Privilege Fee groups according to the following:

A. **Usage or unforeseen budget adjustments during enrollment decreases**—These budget adjustments:
   1. Shall be based on increased usage of a Privilege Fee group or supplement a decrease in enrollment that will negatively affect a Privilege Fee group.

B. **Supplemental budget enhancements in lieu of budget increases**—These budget enhancements:
   1. Shall be a one time expenditure of funds made only during the year that the Privilege Fee group is being reviewed by Student Senate.

C. Emergency situations.

CONSTITUTIONAL AMENDMENT CONCERNING
THE AUTHORITY OF THE FINAL INTERPRETATION
OF THE STUDENT ACTIVITY FEE
SPENDING REGULATIONS

BY: Christopher Avila

SUMMARY: There has been much controversy regarding whom has authority has been invested in concerning final interpretation of the Student Activity Fee Spending Regulations. Every year there are instances where the SGA Treasurer/Allocations Chair and the Student Senate Chair are in disagreement over issues of regulation interpretations. Ideally, these disagreements should be settled in the Executive Committee or in the Allocations Committee. When this ideal system does not materialize, disagreement develops on the Student Senate floor regarding interpretation of the regulations and is done so in the presence of the student organization requesting the allocation. Out of respect for both Chairship offices and the student organization, the following Constitutional and By-Law revision is necessary to eliminate that embarrassing situation.

WHEREAS: the Constitution has always held the Office of SGA Treasurer/Allocations Chair as the highest Student Senate Committee Chair as is evidenced in the placement of the “Duties and Powers of the SGA Treasurer/Allocations Chair” after the duties of the Student Senate Chair, but before the duties of the Student Senate Vice Chair; and

WHEREAS: the SGA Treasurer/Allocations Chair is considered by the KSU Student Governing Association to be the best versed individual in matters of fiduciary concerns; and

WHEREAS: the Constitution should reflect this vital duty of our SGA Treasurer/Allocations Chair; and

WHEREAS: the KSU Student Governing Association would like to express this sentiment in writing as a permanent part of the Constitution.

BE IT ENACTED THAT:

SECTION 1. Article V, Section 507 (SGA Constitution) “Duties and Powers of the SGA Treasurer/Allocations Chair” be amended as follows:

E. Shall have authority of final interpretation of the Student Activity Fee Spending Regulations over all members of the legislative, judicial and/or executive branches of the KSU Student Governing Association. Alterations to the Funding Regulations are made as prescribed in the Funding Regulations.

SECTION 4. This legislation shall take effect when passed by the College Councils.

BILL FAILED ON ROLL CALL VOTE OF 2-44
NOVEMBER 19, 1996.
BY-LAWS AMENDMENT CONCERNING
THE ALLOCATIONS PROCESS

BY: Gabe Eckert, Robin Cates, Sarah Morris, Lach Franquemont, Justin Knopf, Rebekah Thornton, Bret Glendening

WHEREAS: The presence of Funding Statutes will greatly reduce the amount of paperwork from year to year; and

WHEREAS: Creating Funding Statutes will provide consistency for the allocation of funds from year to year; and

WHEREAS: This process will clarify the changes being made to our funding statutes.

BE IT ENACTED THAT:

SECTION 1. Article V, Section 9, F, 3 be amended as follows:

3. Allocation of the Student Activity Fee. The Student Activity Fee, which is collected as part of the tuition and fees paid by students, is allocated by Student Senate based on recommendations from Allocations Committee and according to legislation passed by Student Senate, the Student Governing Association Funding Statutes and is subject to the approval of the President of the University.

SECTION 2. Article V, Section 9, F, 3, a, i. be amended as follows:

i. Allocations committee shall begin the allocation process by submitting all informal guidelines for the allocation of funds, both formal and informal, to the Student Senate for majority approval. Also, allocations committee may introduce bills to make changes in the Student Governing Association Funding Statutes; exception may be made by a 2/3 vote.

SECTION 3. Current “SGA Funding Regulations for Student Activity Fee revised (10/96)” become “Student Governing Association Funding Statutes.”

SECTION 4. This bill shall take effect upon passage.

BE IT ENACTED THAT:

SECTION 1. Article V of the KSU SGA Bylaws is amended by the addition of a new Section 13 to read:

Such resubmitted recommendations shall become final and effective, unless by February 15th the Student Senate shall pass, by majority vote, a bill disapproving the entire set of salary recommendations. BILL ADOPTED ON ROLL CALL VOTE OF 40-0

BILL 96/97/138  
BY-LAWS AMENDMENT CONCERNING  
THE REPLACEMENT OF STUDENT SENATORS

BY: Academic Affairs and University Relations Committee

WHEREAS: Student Senate Bill 96/97/103 established a grade point average requirement for members of Student Senate, and

WHEREAS: Consistency needs to be maintained between the KSU SGA Constitution and Bylaws.

BE IT ENACTED THAT:

SECTION 1. Article V, Section 5, Letter C of the KSU SGA Bylaws be amended to read:

“C. Any Student Senator who drops class hours below the amount specified in Article II, Section 202-B of the KSU SGA Constitution or any Student Senator whose cumulative grade point average drops below the requirement specified in Article II, Section 202-B of the KSU SGA Constitution, will automatically be considered for impeachment by Student Senate, unless properly excused by the Chairperson of Student Senate.”

SECTION 2. This legislation shall take effect upon implementation of Bill 96/97/103.

BILL ADOPTED ON ROLL CALL VOTE OF 40-0  
MARCH 13, 1997.
BY: Academic Affairs and University Relations Committee

WHEREAS: Student Senate Bill 96/97/76 sanctioned the establishment of a university-wide honor system, and

WHEREAS: Section 2 of Bill 96/97/76 gives Student Senate the ability to approve any changes to the honor system, and

WHEREAS: The university attorney examined the document and recommended four changes to ensure legalistic integrity, and

WHEREAS: These recommended changes are also endorsed by the Faculty Senate Academic Affairs Committee.

BE IT ENACTED THAT:

SECTION 1. A new twelfth bullet be added in both Elements of a Judicial Process for Support of an Honor System section that reads:

“The Honor Council shall define academic dishonesty.”

SECTION 2. The second bullet of both Elements of a Judicial Process for Support of an Honor System be amended to read:

“All official responses to reports of academic dishonesty will be managed by a new Honor Council, which will be comprised of both students and faculty appointed by their peers from the general academic community. Faculty and student input to the judicial process will always be an integral part of the system; however, the new judicial approach will be a significant departure from the current system in which faculty, department heads and deans are now burdened with the responsibility of taking punitive action for violations of academic honesty. Sanctions, if required, will be recommended by the Honor Council after appropriate due process. Informal actions taken, on their own, by faculty or administrators will be viewed as potentially endangering the integrity of the new honor system and risking violation of due process for students.”

SECTION 3 Number two of the Step by Step Judicial Procedures section of both Elements of a Judicial Process for Support of an Honor System be amended to read:

“2. The mission of the Honor Hearing Panel will be to judge whether or not an honor violation has occurred during an honor hearing. An Honor Hearing Panel, which will be selected by the Director of Honor Systems will be composed of six members from the Honor Council, with five voting and one serving as a neutral chair. The voting members will be split along the lines of three students and two faculty members. The chair may be either a faculty member of a senior level student. Student make-up of the Honor Hearing Panel will be affected by the
status of the alleged violator. Typically undergraduate council members will be involved with alleged undergraduate violators, and graduate council members will handle graduate student issues. The Investigators may not serve on the Honor Hearing Panel. . .

SECTION 4  Number four of the Step by Step Judicial Procedures section of both Elements of a Judicial Process for Support of an Honor System be amended to read:

“4. If the Honor Hearing Panel decides, with majority vote, that an honor violation has occurred, an appeals process is available for the affected student. The student may appeal the decision of the Panel on the basis of substantial new evidence or sufficient ground for good cause. Substantial new evidence is defined as evidence which was not available at the original trial and which has a direct bearing on the verdict. This appeal may be submitted at any time within one year from the date of the trial. Sufficient grounds for good cause is defined as an infringement on the rights of the accused student because of any irregularities in the way the Honor Hearing Panel conducted its business. An appeal of this type must be submitted to the Director of Honor Systems within 15 days. A separate six member appeals board impaneled from the Honor Council by the Director would consider this issue. Faculty members who feel that the proceedings were not properly conducted may also appeal the decision within fifteen days.”

SECTION 5. This legislation shall take effect upon passage.

BILL ADOPTED ON ROLL CALL VOTE OF 40-0
MARCH 13, 1997.
WHEREAS: Many students feel the student body as a whole has not been able to express their opinion on this issue; and

WHEREAS: This is one of the most important and expensive issues facing the fee paying student body; and

WHEREAS: The student body should have the right to express an educated opinion on how their student fees are collected; and

WHEREAS: This vote will allow students to express their opinion on if student government should make the implementation of an optional fee system a priority in the 1997-1998 Student Senate term.

BE IT ENACTED THAT:

SECTION 1. KSU Student Senate authorizes the holding of a plebiscite vote on the following questions:

“An optional fee system would change the way fees are currently collected. Currently, you pay fees regardless of whether you use these services or not. An optional fee system would allow students the ability to pay fees for services they use or support, and not pay the fees for services they do not use or support. A possible consequence to an optional fee system would be decreased services and/or increased fees for those who use or support those services. Another possible consequence would be lower overall fees for those who do not take advantage of services.

“Would you be in favor of establishing an optional fee system?

YES ___________ NO_________

SECTION 2. This plebiscite shall be held in conjunction with the regular student government elections on March 10, 11 and 12, 1997.

SECTION 3. The outcome of this vote shall be the official position of the Kansas State University Student Governing Association.

SECTION 4 A copy of the election results on this issue be sent to President Jon Wefald, Vice President for Administration and Finance Tom Rawson, and Vice President for Institutional Advancement Bob Krause.

RESOLUTION 96/97/19    SUPPORTING THE KANSAS BOARD OF REGENTS’ STUDENTS’ ADVISORY COMMITTEE FACULTY EVALUATION INITIATIVE

BY:    Chris Hansen, Aaron Otto, Aubrey Abbott, Jill Hayhurst, Jeff Dougan

WHEREAS The Kansas Board of Regents has taken many positive steps toward creating a stronger system by improving its faculty evaluation policy, and

WHEREAS Faculty concern over the merit of student evaluation stems from Regents universities not using a uniform and Regents recommended student evaluation forms that control for bias, and

WHEREAS Large enrollments at Regents’ universities necessitate student knowledge of instructors other than mere hearsay, and

WHEREAS The ever-increasing cost of a Kansas Regents university education makes it even more crucial that students have the best information available to better suit their educational experiences, and

WHEREAS Valid and reliable data on the quality of the educational experience in a given course can be ascertained from the Regents-accepted student evaluation forms, and

WHEREAS Making such data available to students during enrollment would provide students with a much better measure of course quality and characteristics than what currently exists, and

WHEREAS Dividing the forms into faculty-use, and dual-use sections allows for faculty privacy while still offering student enrollment assistance, and

WHEREAS This data would be best disseminated on the World Wide Web, and

WHEREAS This data is already compiled by the academic affairs units of the Regents universities, and

WHEREAS It would be logical that they continue to do so,

BE IT RESOLVED THAT:

SECTION 1. Student Senate continues to recognize the need for a university-wide evaluation of courses and instructors.

SECTION 2. Teacher information should be publicized in pamphlet and electronic form for student use in choosing classes and tailoring curriculum to individual needs.

SECTION 3. Student Senate supports the Students’ Advisory Committee’s Initiative on Faculty Evaluation.

RESOLUTION 96/97/54 SUPPORT OF TECHNOLOGICAL IMPROVEMENTS AT REGENTS INSTITUTIONS

BY: Governmental Relations Committee

WHEREAS The mission of our state universities is to provide a quality and meaningful education to their students and properly prepare them for the challenges they will face in the competitive job market, and

WHEREAS There are many aspects which combine to provide a sound college education to the students at our state universities, and

WHEREAS Current technology as well as the availability of such technology is undeniably a critical facet of this education and is an integral part of any future job preparation, and

WHEREAS The technology at our Regents schools, including computers, software programs and research equipment, is desperately in need of improvement and must be updated in order to meet the technological needs at our universities, and

WHEREAS Funding for schools in the Regents system has fallen from 20% of the states general fund in 1977 to only 13% of the state’s general fund in 1996, and

WHEREAS Due to the state’s sound budget policy there is a state surplus available.

BE IT RESOLVED THAT:

SECTION 1. The Student Government Associations of the Regents universities urge all legislators of the State of Kansas to support the Regents’ one-time request for $12 million to address the most critical technological needs of our Regents schools.

SECTION 2. Though this one-time $12 million expenditure will help make the most needed improvements at Regents schools, the State Legislature, working with the Kansas Board of Regents, must adopt a long-term solution to our state institutions’ technological needs. This long-term solution should include a plan to fund future technological needs where the state would match student costs at a rate of two to one.

SECTION 3. Governmental Relations Committee is authorized to alter the format, but not the content, of this resolution to conform to the format established for the 1997 Regent Universities’ Policies and Positions Booklet. This section will not be included in the Booklet.

WHEREAS The mission of the Kansas Board of Regents is to promote excellence by providing students with high quality educational research and service programs, and

WHEREAS The faculty at these institutions are vital in fulfilling the mission of the Regents institutions, and

WHEREAS In order to have quality faculty remain at our institutions of higher education we must provide salaries comparable to those of the school’s peer institutions, and

WHEREAS The average salary of a faculty member within the Kansas Regents system is underfunded by nine percent, and

WHEREAS To insure that the Kansas Regents system will continue to compete with other universities nationwide, it must meet or surpass the average national salary for faculty.

BE IT RESOLVED THAT:

SECTION 1. The Student Government Associations of the Regents universities support an increase in faculty salaries within the Kansas Regent system to bring them up to levels comparable to each of their peer institutions.

SECTION 2. Governmental Relations Committee is authorized to alter the format, but not the content, of this resolution to conform to the format established for the 1997 Regent Universities’ Policies and Positions Booklet. This section will not be included in the Booklet.

RESOLUTION 96/97/56

SUPPORT OF A STATE-SPONSORED COLLEGE SAVINGS PLAN

BY: Governmental Relations Committee

WHEREAS Paying for the cost of higher education has gained national attention in recent years because of college costs increasing more rapidly than the inflation rate, and

WHEREAS Included in Subtitle H of H.R. 3448 (the Small Business Job Protection Act passed by Congress in 1996) is Part VIII, Qualified State Tuition Programs, which provides the means for states to create their own state tuition programs, and

WHEREAS State tuition programs exist in one of two forms, either as state-sponsored college savings plans or as prepaid tuition plans, and

WHEREAS A recent report released by the National Association of State Treasurers shows that 11 states already have prepaid tuition programs and fourteen states have already implemented some type of college savings plan, and

WHEREAS Prepaid tuition plans are designed to allow persons to pay various amounts into special funds over a period of years to prepay or guarantee the payment of tuition at an institution of higher education at a later point in time. State-sponsored college savings plans, by contrast, provide certain incentives for savers through any number of different financing mechanisms, and

WHEREAS The Kansas Legislative Educational Planning Committee reviewed these two options in 1993 and recommended that any state tuition plan should be a college savings plan rather than a prepaid tuition plan.

BE IT RESOLVED THAT:

SECTION 1. The Student Government Associations of the Regents universities support the creation of a state-sponsored college savings plan in the state of Kansas.

SECTION 2. Governmental Relations Committee is authorized to alter the format, but not the content, of this resolution to conform to the format established for the 1997 Regent Universities’ Policies and Positions Booklet. This section will not be included in the Booklet.

SUPPORT FOR THE CONTINUATION OF STATE PROPERTY TAXES

BY: Governmental Relations Committee

WHEREAS The merit of funding higher education is unquestionable, and

WHEREAS The need to continue to invest in the future of our state and nation is grounded in the state’s monetary support of higher education, and

WHEREAS Drastic, extreme cuts to property taxes in Kansas may have adverse effects on the financial support the state provides to institutions of higher education.

BE IT RESOLVED THAT:

SECTION 1. The Student Governing Associations of the Regents Universities caution state legislators in their attempt to cut property taxes without consideration to ensuring that monetary support to Regents schools continue to be provided.

SECTION 2. State legislators ensure that funding for Regents schools is provided at needed levels as they make changes to our tax structure in Kansas.

SECTION 3. Governmental Relations Committee is authorized to alter the format, but not the content, of this resolution to conform to the format established for the 1997 Regent Universities’ Policies and Position Booklet. This section will not be included in the Booklet.

RESOLUTION 96/97/58  SUPPORT OF MORE AFFORDABLE TUITION LEVELS

BY: Governmental Relations Committee

WHEREAS The students’ share of the cost of higher education in Kansas is increasing at a rate of about two and one-half times that of the state’s share, and

WHEREAS Education is vital in maintaining and advancing our current standards in business, developments in science and technology and the future education of our children, and

WHEREAS The only way to ensure qualified citizens to fill these jobs is to ensure the opportunity of higher education, and

WHEREAS With the rising costs of our universities it is necessary for the state, in the interests of the future of the state, to raise the level of funding for the Regent universities, and

WHEREAS If tuition continues to rise at the current rate and state funding remains at current levels it is inevitable that the recent concerns for lower enrollment numbers will become reality, and

WHEREAS The state of Kansas has long been committed to educating Kansas citizens at the highest level possible, and

WHEREAS This level of commitment to education by the state as set by the Kansas Board of Regents has supposedly been to be at a rate of 75 percent of the total cost of higher education with Kansas students paying the remaining 25 percent, and

WHEREAS Currently, students system-wide are paying for approximately 34 percent of their education, and

WHEREAS To continue and further this commitment it is necessary for the state to adopt more affordable tuition levels for its college students.

BE IT RESOLVED THAT:

SECTION 1. The Student Government Associations of the Regents universities support more affordable tuition levels at all Regents institutions.

SECTION 2. Governmental Relations Committee is authorized to alter the format, but not the content of this resolution to conform to the format established for the 1997 Regent Universities’ Policies and Positions Booklet. This section will not be included in the Booklet.

SUPPORTING INCREASES IN STATE SCHOLARSHIP GRANTS

BY:    Governmental Relations Committee

WHEREAS  State scholarship grant programs provide many Kansas students with their only vehicle to complete their education, and

WHEREAS  Thousands of Kansans have risen occupationally and financially through higher education to become greater contributors to the state economy, and

WHEREAS  State scholarship grants are a direct investment in the future of the state of Kansas, and

WHEREAS  Proposed reductions in federal financial aid will make higher education less accessible to many students, and

WHEREAS  The amount of financial aid available to students under existing federal and state grant programs has not kept up with increasing costs of higher education, and

WHEREAS  The growing gap between higher education costs and available funds will result in certain Kansas students being unable to afford an education, and

WHEREAS  The state of Kansas ranked 31st among the other 50 states in dollars allocated for state scholarship grants last year, with need based aid of $10,208,000 and non-need based aid of $2,354,000 for a grand total of $12,562,000 in state scholarship grants.

BE IT RESOLVED THAT:

SECTION 1. The Student Government Associations of the Regents universities strongly encourage the 1997 Kansas Legislature to increase the funding of state scholarship grant programs.

SUPPORTING A COMPREHENSIVE GRANT APPLICATION

BY: Governmental Relations Committee

WHEREAS The Task Force on Student Financial Assistance was created by the executive director of the Board of Regents to remedy various problems with financial aid, and

WHEREAS Consumer confusion and participation barriers, the streamlining of programs, and the coordination of federal, state, and institutional resources were identified as problems to remedy, and

WHEREAS One of eight Task Force recommendations, presented to the Board of Regents’ Tuition and Fees Committee, was a call for the development of a comprehensive grant program, and

WHEREAS This comprehensive grant program would merge the Regents Supplemental Grant, Kansas Tuition Grant, Kansas State Scholarship, and Ethnic Minority Scholarship programs, and

WHEREAS The 1994 Legislature considered but did not pass HB No. 3033 which would have established the Kansas comprehensive grant program, and

WHEREAS The passage of a comprehensive grant program would still give needy Kansas students broader access to funds with less paperwork for themselves, their parents, and financial aid offices, and

WHEREAS The passage of a comprehensive grant program will reduce costs for all concerned parties while accomplishing the goal of effective state investment through improved partnerships among federal, state, private, and family resources.

BE IT RESOLVED THAT:

SECTION 1. The Student Government Associations of the Regents universities support the creation of a comprehensive grant program as proposed by the Task Force on Student Financial Assistance.

SECTION 2. Governmental Relations Committee is authorized to alter the format, but not the content, of this resolution to conform to the format established for the 1997 Regent Universities’ Policies and Positions Booklet. This section will not be included in the Booklet.

SUPPORT OF MAINTAINING QUALIFIED ADMISSIONS

BY: Governmental Relations Committee

WHEREAS The 1996 Kansas Legislature passed HB 2668 which established admission standards for Regent universities, and

WHEREAS Until the passage of this bill, Kansans who had graduated from an accredited Kansas high school were automatically admitted to a Regent school upon application regardless of their preparedness to succeed in the university environment, and

WHEREAS In order to succeed in a university setting, students must have a solid educational foundation provided for them throughout high school, and

WHEREAS The Board of Regents’ proposed curriculum for qualified admissions would provide this foundation to students graduating from Kansas high schools, and

WHEREAS These admissions standards raise the requirements of academic responsibility of our high schools and high school students, thereby better preparing students for any future endeavor of their choice, and

WHEREAS Qualified admissions make Kansas Regents institutions more competitive while enhancing academic performance at these universities.

BE IT RESOLVED THAT:

SECTION 1. The Student Government Associations of the Regents universities urge the State Legislature to continue to support qualified admissions at Regents institutions, recognizing the benefits such an admissions policy affords to both our high schools and universities in the state of Kansas.

SECTION 2. Governmental Relations Committee is authorized to alter the format, but not the content, of this resolution to conform to the format established for the 1997 Regent Universities’ Policies and Positions Booklet. This section will not be included in the Booklet.

RESOLUTION 96/97/62

SUPPORT FOR THE
IMPLEMENTATION OF C.A.M.P.U.S.
TASK FORCE PROPOSALS

BY: Government Relations Committee

WHEREAS The C.A.M.P.U.S. (Campus Awareness Makes for Protections and Ultimate Safety) Task Force was created to ensure that all of the institutions of higher learning in the state of Kansas focus on decreasing crime at their respective colleges and universities, and

WHEREAS The safety of all students is one of the principle responsibilities of these institutions, and

WHEREAS Campus police and security departments do an excellent job of crime prevention, promoting safety on campus through educational programs and support groups for victims of crime, and the publication of campus crime information and statistics, and

WHEREAS Many legislative restrictions placed on campus police and security departments cause difficulties in effectively meeting the safety needs of students that live on and off-campus, and

WHEREAS Lessening or changing these legislative constrictions would enable all students to lead safer lives while attending the institution of their choice, and

WHEREAS The Board of Regents, college administrators, students, and parents have recognized and offered their support and approval of legislative changes to ensure better safety and protection on college campuses, and

WHEREAS The task force created six recommendations regarding changes to current legislation to improve safety and protection on college campuses, and they are as follows:

(1) Expanding regent police jurisdiction in order to respond to crimes committed against students, faculty, or university staff in surrounding areas off campus;

(2) To make existing state law regarding the possession of a false/forged identification (which is currently considered a felony) consistent with the use of a false/forged identification to purchase liquor (which is considered a misdemeanor). Thus, the possession of a false/forged identification would be considered a misdemeanor; rather than a felony.

(3) Increasing the availability of funding to college campuses for safety enhancements;

(4) The development of a procedure through the Department of Corrections and court services to determine which convicted offenders of violent crimes would be able to immediately adjust to a college educational setting upon release without posing a threat to the other students, or whether that offender would
be restricted from attending college during his/her post release supervision term;

(5) Creating a resource center directly out of the Attorney General’s office for successful safety and prevention programs which can serve as models for campuses throughout the Regents system.

BE IT RESOLVED THAT:

SECTION 1. The Student Government Associations of the Regent Universities strongly support the above six recommendations by the C.A.M.P.U.S. Task Force as necessary changes to current legislation in order to increase safety, protection, and crime prevention on college campuses in the state of Kansas.

SECTION 2. Governmental Relations Committee is authorized to alter the format, but not the content, of this resolution to conform to the format established for the 1997 Regent Universities’ Policies and Positions Booklet. This section will not be included in the Booklet.
