BY-LAWS AMENDMENT CREATING
A SUMMER TREASURER

BY: Gabe Eckert, Jake Worcester and Canton Getz

WHEREAS if the SGA Treasurer is unable to reside in Manhattan during the summer, there is currently no provision for an individual to carry out his or her duties; and

WHEREAS it is vital to the success and well-being of the Student Governing Association to have a student responsible for approving financial transactions during the summer; and

WHEREAS this by-laws amendment would resolve and improve the current situation,

BE IT ENACTED THAT:

SECTION 1. A new Article V Section 8 C of the KSU SGA By-Laws be created as follows:

C. The Student Senate Chair, in consultation with the SGA Treasurer and Vice Chair, shall have the authority to appoint a Summer Treasurer. The Summer Treasurer shall have authority to carry out functions designated by the SGA Treasurer. The term of office shall last from the first day after spring finals to the first Monday before fall classes begin.

SECTION 2. The existing Article V Section 8 C is hereby renumbered as D.

SECTION 3. This legislation shall take effect upon passage.

The Allocations Committee shall determine the amount of funding to be received by each requesting group for each requested project based on the estimates of necessary expenditures provided by the organization, the Allocation Committee’s review and confirmation of the estimates made, the amount allocated to the same or similar projects in the past, and an organization’s past fund raising activities.

B. Process
1. After a request form is delivered to the Allocations Committee, the Committee will initially consider the requested allocation. Each group of projects submitted by any one organization will be assigned to a member of the Allocations Committee. This committee member will be responsible for confirming cost estimates and retrieving any additional information the committee deems necessary for making a funding recommendation.

2. The committee member will present the findings to the Allocations Committee at the meeting following the one at which the project request was assigned. Based on the information provided, the Committee shall determine a reasonable level of funding for each category of the project and vote to approve this recommended allocation to the Student Senate. After a recommended allocation is made, the Allocations Committee must then determine whether or not the project application qualifies for the Early Request Credit or the Complete Information Credit.

a) The Early Request Credit shall apply to any project funding request submitted to the Allocations Committee at least one week prior to the latest deadline for submission of project funding requests. Projects which meet this criteria shall receive an additional five percent (5%) over the Allocation Committee’s recommended funding level.

Such information must be submitted in full with the original project funding request in order to qualify for the Complete Information Credit. Projects which meet this criteria shall receive an additional five percent (5%) over the Allocation Committee’s recommended funding level.

3. Allocations Bills submitted to the Student Senate shall include the categories of funding, the requested funding amounts, the recommended funding amounts, and any credits which the Allocations Committee determines is applicable to a specific project represented by the Bill.

4. Upon passage by the Student Senate and signature of the Student Body President, funds for a project shall be available to the organization sponsoring such project.

C. Expenditure of Funds

expenditures fall within the permissible expenditures as outlined in the Funding Statutes.

a) Overruns. An organization may spend funds on materials in any category that exceeds the recommended amount for that category as determined by the Allocations Committee, provided that the total amount spent on a project does not exceed the total amount allocated for the project by the Student Senate.

b) Limitation. An organization which intends to exceed the recommended amount for any category by more than twenty-five percent (25%) must submit an Overrun Request Form to the SGA Treasurer for the approval of such excess expenditures along with a detailed reason for the excess and the manner in which the excess funds were gained through a non-expenditure in another category. BE IT ENACTED THAT:

SECTION 1. Article 6 Section 12 C of the KSU SGA By-laws is hereby amended by adding a new number 3 that reads:

SUPPORT FOR STATE MATCHING FUNDING FOR KSU LIBRARIES

BY: Privilege Fee Committee and Government Relations Committee

SUMMARY: This resolution shows SGA support for increased library funding by means of state-student matching grant. Student support of this resolution will help University administration in securing additional financial support from the State.

WHEREAS current library acquisition funding made available by the university and the State is insufficient to provide for the maintenance of resources at the current levels, or the purchase of periodicals, journals, other research materials, and general use publications; and

WHEREAS the annual increases in publication costs associated with the purchase of periodicals, journals, other research materials, and general use publications has exceeded the current financial capabilities of Kansas State University; and

WHEREAS an increase in tuition could be earmarked for KSU Libraries; and

WHEREAS the Kansas State University Student Governing Association understands the funding needs of KSU Libraries and is committed to assisting them; and

WHEREAS the Kansas State University Student Governing Association believes privilege fees are not the best funding source for KSU Libraries; and

WHEREAS a state-student matching grant would generate more funding for the library than a privilege fee alone would,

BE IT ENACTED THAT:

SECTION 1. The Kansas State University Student Governing Association supports exploring a state-student matching grant for the specific purpose of funding the K.S.U. Libraries.

SECTION 2. Continuation of the state-student matching grant program should be contingent upon continued library funding from the Foundation, Library Endowments, and Sponsored Research Overhead.

Kansas State University
Undergraduate Honor System
By-Laws

ARTICLE I. RESPONSIBILITIES
1. To administer the Kansas State University Undergraduate Honor System.

ARTICLE II. INVESTIGATION
1. When an Honor Pledge violation has been reported, the Honor System Director determines whether the process should proceed. If the process is not to proceed, the Director informs the Honor Council and the Reporter of that determination.

2. If the case is to proceed, two members of the Honor Council are appointed by the Director to serve as Case Investigators if the Reporter of an alleged violation is not a faculty member.

3. After discussion with the Case Investigators, the Reporter of an alleged violation decides whether to proceed with the charge. If the Reporter chooses to proceed, the Case Investigators notify the Director of the Reporter’s decision as well as their own recommendation as to whether a Hearing Panel should be appointed. If the Reporter chooses not to proceed, the Director informs the Honor Council of that decision.

4. If the case is to continue, the Director notifies, or attempts to notify, the Alleged Violator within five class days (ten days if classes are not in session). The Director appoints one member of the Honor Council to serve as an Advisor to the Alleged Violator. The Advisor assists the Alleged Violator to understand the Hearing Panel procedure but does not discuss the merits of the case.

5. The Director authorizes the Case Investigator to interview the Alleged Violator and any witnesses, regarding the allegation.

6. Following the interview with the Alleged Violator, the Case Investigator recommends to the Director whether to proceed to an honor hearing.

7. The Director determines whether to dismiss the case or proceed with an honor hearing conducted by a Hearing Panel. The Director informs the Honor Council, the Alleged Violator and the Reporter of the decision.

ARTICLE III. HEARING PANELS

1. Membership
   A. The Honor System Director appoints the Hearing Panel and Chair from the membership of the Honor Council.
   B. Each panel has six members: five voting members and one non-voting chair.
   C. The Honor System Director appoints the Chair of each panel, alternately choosing between a faculty member and a student member of the Honor Council.
   D. Voting membership of Hearing Panels consists of three students and two faculty.

2. Procedures for Hearing Panels
   A. If a violation of the Honor System has been officially alleged, the case is considered by a Hearing Panel.
   B. Formal rules of evidence are not applied in Hearing Panels.
   C. The Hearing Panel chair accepts for consideration all evidence that reasonable persons would accept as having probative value during Hearing Panel proceedings.

3. Conducting Hearing Panels
   A. Hearing Panels are normally convened within ten class days of informing the Alleged Violator.
   B. Those notified of the date, time and place of the hearing are the Alleged Violator, the Reporter, the Case Investigators and witnesses.
   C. Students who are accused of a breach of the Honor Pledge and who elect to present a defense are required to defend themselves.
   D. Right of counsel is limited to an advisory capacity.
   E. Failure by the Alleged Violator to appear before the Hearing Panel neither halts nor interrupts the proceedings.
   F. Character witnesses and references are not permitted.
   G. The Hearing Panel Chair conducts the hearing according to established procedure.
   H. Majority vote determines whether the Hearing Panel finds that a breach of the Honor Pledge has occurred.
I. Situations requiring a Hearing Panel during the summer and intersessions may be tabled by the Director until the beginning of the subsequent fall or spring semester.

4. Reporting of Hearing Panel Decisions
   A. Hearings are recorded and kept as part of the permanent record.
   B. All records are confidential and subject to the provisions of the Family Rights and Privacy Act.
   C. Records are made available to authorized parties upon the determination of the Director of the Honor System.

ARTICLE IV. SANCTIONS
1. If a Hearing Panel determines that a violation of the Honor Pledge occurred, it recommends an appropriate sanction that is imposed by the respective Dean(s). If a Hearing Panel determines that no breach of academic honesty occurred, the Hearing Panel Chair reports that outcome to the Director who informs the Alleged Violator and the Honor Council.
2. If a faculty member discovers a violation of the Honor Pledge, the faculty member may impose a sanction without proceeding through the Honor System procedure. Faculty members are urged to report violations of the Honor Pledge to the Director who maintains a permanent record of violations. An accused student may choose to appeal the sanction by notifying the Honor System Director. Faculty members must inform sanctioned students of their right to appeal through the Appeal Panel process.
3. Normally a violation of the Honor Pledge will result in the violator receiving an XF for the course. The XF grade designation is changed to an F on the student’s transcript after successfully completing an ethics and integrity program, designed by the Director of the Honor System in conjunction with the Provost and approved by the Honor Council.
4. The Hearing Panel may deviate from the XF grade sanction and consider any of the following:
   A. Receive a failing grade for the test or other academic work.
   B. Suspension from the University.
   C. Expulsion from the University.
   D. Other appropriate sanction.

ARTICLE V. APPEALS
1. Appeals are to be based on substantial new evidence or sufficient grounds for good cause.
2. Appeals based on substantial new evidence must be presented within one year from the date of an Honor Panel decision.
3. Appeals based on either good cause or infringement on the rights of the accused student because of procedural irregularities must be made within 15 days to the Director of the Honor System.
4. Faculty members directly involved in the case may appeal the decision of the Hearing Panel within 15 days of the decision.
5. The Director appoints a separate six-member Appeal Panel to consider the appeal. After deliberation, the Appeal Panel reports their findings and recommendation to the Director who forwards the Appeal Panel’s decision to the Honor Council. If the appeal is granted by the Appeal Panel, the Director appoints Case Investigators prior to appointing a new Hearing Panel.

ARTICLE VI. ANNUAL REVIEW
1. The Honor Council annually reviews its procedures prior to the conclusion of the spring semester.
2. The results of the review are presented to Student Senate, Faculty Senate and the Provost by the beginning of the fall semester.
3. The Honor Council annually reviews the performance of the Director of the Honor System and forwards its evaluation and recommendation to the Provost prior to the conclusion of the spring semester.
ARTICLE VII. REMOVAL FROM HONOR COUNCIL
1. The Honor Council may remove any member on grounds of malfeasance, misfeasance or nonfeasance in office by two-thirds vote of the membership selected and qualified.
2. The Honor Council may recommend that the Provost remove the Director of the Honor System on the grounds of malfeasance, misfeasance or nonfeasance in office by two-thirds vote of the membership selected and qualified.

ARTICLE VIII. CONFLICT OF INTEREST
1. Members of the Honor Council will immediately notify the Director of the Honor System of any conflicts of interest.
