

K-State Study Abroad Class Presentation Request Form

The K-State Study Abroad Office partners with K-State faculty and staff in organizing efforts to spread the word about college and major-specific international study abroad opportunities to K-State undergraduate and graduate students throughout the year. Presentations include an overview of study abroad opportunities at K-State, advantages of study abroad, steps to study abroad, and testimonials.

To arrange for a peer advisor to give a 10-15 minute presentation in your class(es), please fill out the details below and return it to the Study Abroad Program.
