KSU INTELLECTUAL PROPERTY ACCOUNTS:

KSURF intellectual property income designated for KSU budgetary units may be maintained in KSURF accounts. A minimum amount of \$5,000 must be payable to the unit in any one calendar year to be eligible to establish an investment account on its behalf. All future royalties payable will be deposited into the investment account until further notice from the unit. All KSU funds, other than those attributable to intellectual property revenue, should be transferred immediately to appropriate restricted fees accounts at KSU.

(Enacted by the KSURF Executive Committee on 21 February 2007)
