Comments Concerning Club, Course, Company:

The Mules National Golf Club reopened in November 2015 after a multi-million dollar renovation creating the golfing destination in west central Missouri. Featuring an island green on the 18th hole and a 650-yard par 5, our golf course now provides a difficult, yet fair challenge for golfers of every ability. Each hole offers it's own unique layout while maintaining a level of continuity such as 4 distinct sets of tee boxes per hole, gorgeous white sand bunkers placed to challenge every shot, zoysia fairways, and USGA-spec bentgrass greens. Golfers of Mules National will enjoy a relaxing round with concrete cart paths, quiet electric carts, and food and drink delivered to any hole by Traditions Restaurant.
