

The Jayhawk Club in Lawrence, KS is a 27-hole private facility currently in the process of redesigning/renovating the 18-hole championship course. We are looking to hire an Equipment Technician to maintain our turf care equipment. The position is full time, year-round, and is available immediately.

Duties and Responsibilities include:

Effectively developing, executing, and tracking a comprehensive preventative maintenance program for all golf course maintenance equipment

Performing sharpening, set up, monitoring, and adjustment of both rotary and reel cutting units

Prioritizing equipment repair relative to course needs

Taking a proactive approach when maintaining equipment

Managing time in an efficient manner

Ordering, inventorying, and installing parts as needed

Maintaining a clean and safe work environment

Qualifications:

Able to effectively communicate with others and work well in a team environment

Experience with the maintenance and repair of gasoline, diesel, and two-stroke engines

An understanding of hydraulic systems and the ability to diagnose and repair malfunctions

Education/Experience:

1-2 years mechanic experience

A certificate or degree in a related field from a college or technical school is a plus

Benefits:

Pay - \$19-\$22/hour

PTO Plan

Golf privileges

Health, dental, vision, and 401k plans available

Send cover letter and resume to:
