

**Garnett Country Club
1201 North Lake Rd.
Garnett, KS 66032**

Position Title: Golf Course Superintendent

Position Level: Management

Job purpose

Maintain Garnett Country Club in optimal playing condition at all times: and the aesthetic beauty of the golf course, its adjacent grounds, boundaries, roads and parking areas, as well as fixed assets, structures, equipment and facilities.

Specific duties and responsibilities

- Open and close course daily
- Determine course conditions daily
- Mow all fairways, tee boxes, greens, and rough areas
- Change cup locations
- Provide necessary irrigation to all areas of the course
- Provide aeration treatment once a year to greens
- Plan for and execute application of seed, fertilizers, and chemicals
- Trim trees, bushes, and shrubs as needed
- Maintain up-to-date schedule of events/tournaments
- Prepare the course for tournaments
- Oversee the operation and maintenance of the driving range
- Oversee the operation and maintenance of the rental carts
- Hire and oversee labor of seasonal staff
- Follow budget set forth by Board of Directors

Skills and qualifications

Qualified candidate should be a highly responsible and dependable person who is able to communicate effectively with, and follow instruction of the Board of Directors, while conducting day-to-day operations of the course in a manner that requires minimal supervision. Preferred candidate would have experience in golf course management or in the alternative, a comprehensive understanding of the rules and etiquette of golf, along with landscaping knowledge or background. Qualified candidate should also possess the following attributes:

- Represent the Garnett Country Club in a professional manner
- Possess an excellent work ethic
- Be an organized and prepared individual
- Always be punctual
- Possess or have ability to possess Kansas Applicators License 3b within 90 days of hire date and maintain license for duration of employment.
