Comments:

Card Sound Golf Club is located in Key Largo, FL in the wonderful Florida Keys. We are a private golf club with a limited membership. Our internship program has thrived for over 18 years and has helped serve as a foundation for many of turf's successful turf managers throughout the country. We take great pride in our program and allow our interns to play an integral role in our operation. He/She will be exposed to the many facets of our industry. We work with each individual to develop both short and long-term career goals. We are privileged to help mentor the future leaders of our industry.

Over the last few years, we have worked with Golf Course Architect Andrew Green to enhance the experience at Card Sound. Many phases of the Master Plan have been realized and with our motivated membership future projects are imminent.
