

Internship Opportunity

Kansas City Country Club is one of the oldest and more prestigious clubs in the Midwest receiving Platinum status. Located in the heart of Kansas City in Mission Hills, Kansas, this 127 acre property is the 3rd oldest country club west of the Mississippi River. Originally a polo club the facility now boasts a top 5 golf course in Kansas and other amenities including a pro shop, olympic sized pool, 5 tennis courts, 2 paddle ball courts, restaurant, fitness center and multiple game rooms. The golf course recently completed a renovation including a state of the art Toro irrigation system with HDPE installation. Grasses on the course include bentgrass greens, zoysiagrass tees and fairways with a fescue bluegrass mix in rough.

We are currently seeking 3 to 6 month internships for the Greens & Grounds department. The Trans-Mississippi Golf Association has selected KCCC to receive funds for an agronomy intern for 2017 in the amount of \$3500. The selected applicant will receive this scholarship along with a competitive compensation rate, housing options , uniform, meals, and golf privileges. This internship opportunity should serve as a link to implement classroom education the individual has received to professional work experience. As an intern you must have the willingness to learn, be dependable, punctual, and possess the ability to accept and delegate responsibilities. In this internship program you will have the opportunity to interact with multiple departments along with being a part of the golf maintenance staff. To apply please send resume to information below. Application deadline is 3/1/17 or as soon as filled. This internship is available to current students and recent graduates of accredited turfgrass programs.

Thanks,

Loren Breedlove
