

Maintenance Services Technician

Pay Rate/Range: \$35,000+/yr DOE

Start Date: ASAP

Description: Participate in turfgrass construction and maintenance. Customer service, attention to detail, and attendance are imperative for this position. Looking for a self-starter, someone that can problem solve. Basic computer skills also needed. Must have a valid driver's license with a clean record and feel comfortable pulling a trailer. Will be home most nights but some overnight travel involved. Previous farming or golf background and/or ag knowledge is beneficial for position.

Main Duties Include:

- * Will aerate, seed, top dress, and apply fertilizers to sports turf, college campuses, and commercial properties across the state of Kansas (lifting 50lb bags multiple times during a day)
- * Mowing with zero turn, 3 point, and other mowers
- * Build new fields by assisting with irrigation installation as needed, installing sod, and sprigging bermuda grass
- * Maintain and repair equipment and pickups
- * Assist with billing questions
- * Snow removal is part of winter operations

Attire: Casual - jeans & safety shoes

Duration: Direct Hire

Shift: 1st shift -- hours will vary (50-60 hrs/week during busy season & 35-40 hrs/week during off season)

Schedule: M-F and every other Saturday
