Seeking individuals looking to lead the industry over the next decade!

Southern Hills Country Club is a private country club established in 1936. The 18 hole championship layout was designed by Perry Maxwell, and has hosted 7 major championships including: 58' Open, 70' PGA, 77' Open, 82' PGA, 94' PGA, 01' Open, and the 07' PGA won by Tiger Woods. The Championship course features A1-A4 bent grass greens and Bermuda tees, approaches, and fairways. The Golf Digest ranking is 35th in the nation and 67th in the world.

This is a mid-level management position for hard working, motivated individuals who want to make a positive impact at a premier country club. Spring or recent graduates are encouraged to apply. Must have a good attitude while working to provide championship conditions on a daily basis. Our goal is to find individuals who are willing and able to handle project responsibilities as well as assist in the management and implementation of daily agronomic procedures and maintenance. Will learn all facets of golf course maintenance including: mowing, course set up, water management, fertilizer applications, crew management, equipment operation and irrigation repair.

Application Instructions:

All individuals who are interested in this position should send resumes via email to Golf Course Superintendent **Russ Myers** rmyers@southernhillsccl.org
