Comments:

Seeking individuals looking to lead the industry over the next decade!

Southern Hills Country Club is a private club established in 1936. The golf course, 18 holes designed by Perry Maxwell, has hosted 7 major championships 58' Open, 70' PGA, 77' Open, 82' PGA, 94' PGA, 01' Open, and the 07' PGA won by Tiger Woods. The Championship course has A1-A4 bent grass greens with Bermuda tees, approaches, and fairways. **The Golf Digest ranking is 29th in the nation.**

In 1992 Ben Crenshaw designed the West 9 course which greens have been converted to Champion Bermuda.

Our goal is to find an individual who is willing and able to handle project responsibilities as well as assist with the management of daily agronomic procedures and maintenance. You will learn all facets of golf course maintenance including, mowing and course set up, fertilizer application and calibration, budgeting, irrigation, and water management.

Date Available:

May 2017

Application Instructions:

All individuals who are interested in this position should send resumes via email to Golf Course Superintendent Russ Myers rmyers@southernhillsgc.org
