

# 2017 Internship

Vaquero

The Vaquero Club is an exclusive, private equity club enveloped in pristine Westlake, Texas located just north of Fort Worth within the DFW Metroplex. The Course was designed by renowned architect Mr. Tom Fazio in 2001. Mr. Fazio explains it as, "I believe that golfers will be amazed by the spectacular beauty and quality of Vaquero, I know I am. Vaquero will be considered one of my most dramatic golf courses." In 2015 Vaquero teamed with Andrew Green, the industries next top architect in the development of a new master plan. The first step being a 1.5 million dollar driving range that was completed September of 2016.

Vaquero members expect perfection daily, and our staff is trained to execute accordingly. Vaquero's student interns will play an integral part in the daily operation through training in tasks such as course set up, water management, and plant protection applications. Student interns will work directly with the Superintendent and other assistant turf crew members.

The management

staff here at Vaquero all has Top 100 experience from regions across the United States that is highly networked coupled with USGA, PGA, and NCAA tournament experience. The Vaquero Club is maintained at the highest level of playing conditions and utilizes state of the art equipment such as: Jacobsen Eclipse mowers, Field Scout moisture meters, Precision air conditioning units and sub surface blowers. Also, Vaquero installed a reverse osmosis water treatment plant capable of treating up to 1.2 million gallons of water per day. Vaquero is an excellent opportunity for students seeking experience in warm and cool season turf. We currently maintain several types of turf grass species including: L-93,007, and Pure Distinction creeping bentgrass putting greens, Diamond Zoysia and overseeded 419 Bermuda tees, Cavalier Zoysia fairways, Tifton 10 Bermuda rough, Coastal Bermuda native areas, as well as Tifeagle Bermuda grass practice greens. Interns should be advised that upon completion of an internship future employment opportunities are available for career advancement internally or externally if they desire.
