TEMPLATES:

Vicki presented the draft of the University General Education 5th Year Review: Discussion Guide [to be used only by the UGE Council when a course is not re-approved] that is now on the website. Corrections were suggested; the final review will be presented at the April 21st meeting.

ASSESSMENT:

Patricia discussed and presented the IRB (Institutional Review Board) application of the Office of Assessment and Program Review (APR) so that APR would have exempt status when conducting assessment on UGE courses. This was discussed more in detail.

The course surveys for Sp 2005 will be presented at the May 5th meeting. UGE Council will spend their time reviewing these courses.

Officers and UGE Council Representatives from each college need to be considered for the 2005-2006 term.

Submitted by proxy,

Gretchen Esping
