UGE Council met in the Konza Room of the student Union instead of Rm. 204.

Reg introduced Chip Winslow who represents the College of Architecture and Landscape Planning and Design. Chip asked for illustrations or flowcharts to help him better understand the UGE process. Gretchen was asked to revise the flowcharts she designed in October 2003, and to make them available to the Council.

The minutes were corrected. Lisa Harrington moved to accept the corrected minutes; Kaleen Knopp seconded. Motion passed by consensus.

Reg introduced Provost Nellis. An informative exchange between members and the Provost ensued.

Meeting adjourned 9:00a.m.

Respectfully submitted,

Gretchen Esping
