Option 1 – Begin in the Summer Bridge Studio
Summer Bridge Studio + 4 years at K-State

APDesign is committed to excellence and maintaining our traditions of competence, thoroughness and mastery of knowledge and skills. The Summer Bridge Studio is designed to prepare qualified transfer students to enter the second year of the professional program of Architecture, Interior Architecture and Product Design, or Landscape Architecture. Students who successfully complete the Summer Bridge Studio are able to potentially reduce the total length of time required to complete the accredited professional graduate programs at K-State by one year (four years plus Summer Bridge Studio instead of five years at K-State).

To qualify for the Summer Bridge Studio you must:

1. Take coursework that fulfills the pre-requisites for the Summer Bridge Studio

   **JCCC Course Numbers and Titles**
   
   - MATH 171  
     College Algebra or a higher level college math course
   - PHYS 130  
     General Physics (5 credits)
   - ENGL 121  
     English Composition I (3 credits)
   - SPD 121  
     Public Speaking (3 credits)
   - Elective Credit (15+ credits)

   ARCH 244 Architectural History I and ARCH 245 Architectural History II are not pre-requisites. However they will be equivalent to ENVD 250 History of The Designed Environment I and ENVD 251 History of The Designed Environment II.

   Taking ARCH 127 Introduction to Architectural Graphics I, ARCH 120 Introduction to Architecture, ARCH 131 Architectural Graphics II, and ARCH 140 Architectural Design at JCCC will provide excellent preparation for the required courses at K-State. However, these courses are not a direct equivalent to K-State courses and will only satisfy elective credits in Interior Architecture & Product Design (IAPD) or Landscape Architecture (LA). The elective requirements in Architecture (ARCH) must be courses taken outside the discipline of architecture.

2. Apply for Admission by February 1st

   a) Apply to K-State for undergraduate admission [k-state.edu/admissions/apply/](http://k-state.edu/admissions/apply/) Mark Architecture, Interior Architecture and Product Design, or Landscape Architecture as your intended major.
   b) Pay the $30 application fee.
   c) Send official transcripts from all schools you have attended to the University’s Office of Admissions, 119 Anderson Hall, Manhattan KS 66506.
   d) Email Mrs. Susan Lannou, Director of Student Recruitment, myapd@k-state.edu, to indicate your interest in being considered for the Summer Bridge Studio.
   e) Admission decisions will be made by early to mid-March.

13 February 2014
**Option 2 – Begin in Environmental Design Studies**

5 years at K-State

Environmental Design Studies is the required first-year program of the professional degrees offered in the College of Architecture, Planning & Design. This option leads to an accredited master’s degree in Architecture, Interior Architecture and Product Design, or Landscape Architecture. For most students, the first year Environmental Design Studies program provides an introduction to a way of seeing and thinking about the environments we occupy. The studio is more than drawing. The studio introduces the visual and verbal vocabulary employed in the creation, definition and communication of space. The following coursework taken at JCCC will be used for equivalent requirements in APDesign and will lighten your course load during the five years at K-State:

<table>
<thead>
<tr>
<th>JCCC Course Numbers and Titles</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>MATH 171 College Algebra or a higher level college math course</td>
<td></td>
</tr>
<tr>
<td>PHYS 130 General Physics (5 credits)</td>
<td></td>
</tr>
<tr>
<td>ENGL 121 English Composition I (3 credits)</td>
<td></td>
</tr>
<tr>
<td>SPD 121 Public Speaking (3 credits)</td>
<td></td>
</tr>
<tr>
<td>Elective Credit (15+ credits)</td>
<td></td>
</tr>
</tbody>
</table>

ARCH 244 Architectural History I and ARCH 245 Architectural History II are not pre-requisites. However they will be equivalent to ENVD 250 History of The Designed Environment I and ENVD 251 History of The Designed Environment II.

Taking ARCH 127 Introduction to Architectural Graphics I, ARCH 120 Introduction to Architecture, ARCH 131 Architectural Graphics II, and ARCH 140 Architectural Design at JCCC will provide excellent preparation for the required courses at K-State. However, these courses are not a direct equivalent to K-State courses and will only satisfy elective credits in Interior Architecture & Product Design (IAPD), or Landscape Architecture (LA). The elective requirements in Architecture (ARCH) must be courses taken outside the discipline of architecture.

**Apply for Admission by February 1**

a) Apply to K-State for undergraduate admission [k-state.edu/admissions/apply/](http://k-state.edu/admissions/) Mark Architecture, Interior Architecture and Product Design, or Landscape Architecture as your intended major.

b) Pay the $30 application fee.

c) Send official transcripts from all schools you have attended to the University’s Office of Admissions, 119 Anderson Hall, Manhattan KS 66506.

d) Admission decisions will be made by early to mid-March.

13 February 2014
Option 3 – Begin in the 2nd Year of Regional and Community Planning
4 years at K-State

The Regional and Community Planning program focuses on the professional education of city and regional planners. Applying an integrated perspective on comprehensive planning, the program considers the influence of social, economic, cultural and political issues on the physical environment and policies of cities and regions. Regional and community planning students and faculty work to understand and improve the quality of life for people in neighborhoods, cities and regions across the world.

The following course work taken at JCCC will be used for equivalent courses in the first year of the regional and community planning degree:

| JCCC Course Numbers and Titles |  
|-------------------------------|---|
| MATH 171                      | College Algebra | 3 credits |
| SPD 121                       | Public Speaking  | 3 credits |
| ENGL 121                      | English Composition I | 3 credits |
|                               | Humanities/Design elective | 9 credits |
|                               | Social Science/History elective | 3 credits |
|                               | Social Science/Sociology elective | 3 credits |
|                               | Natural Science Elective with Lab | 4 credits |
|                               | General Elective | 3 credits |
|                               |                                                    | 31 credits |

Apply for Admission by February 1st

a) Apply to K-State for undergraduate admission [k-state.edu/admissions/apply/](http://k-state.edu/admissions/apply/) Mark Regional & Community Planning as your intended major.
b) Pay the $30 application fee.
c) Send official transcripts from all schools you have attended to the University’s Office of Admissions, 119 Anderson Hall, Manhattan KS 66506.
d) Email Mrs. Susan Lannou, Director of Student Recruitment, myapd@k-state.edu, to indicate your interest in being considered for admission to Regional and Community Planning.
e) Admission decisions will be made by early to mid-March
