Did you know that in 2017, Konza United Way helped provide...

- Funding for 21 programs operated by 15 Agencies, directly serving more than 28,000 local individuals?
- Additional dollars to community partner agencies from other grants, foundations and federal agencies?
- 178 children with summer reading programs through Boys & Girls Club to improve their MAP scores?
- 556 homeless adults and children with food and shelter through Manhattan Emergency Shelter Inc.?
- 118 children who were victims of abuse or neglect with advocates from the Sunflower CASA project?
- 191 affordable mental health counseling sessions to 43 clients through Catholic Charities?
- 725 victims of domestic violence and their children with 6,048 total nights of safe shelter and 24-hour services through the Manhattan Crisis Center?
- 2,102 answers to Crisis Center hotline calls and 791 responses to reports of domestic violence with the Riley County Police Department?
- 589 financially unstable individuals with services designed to help bridge the gap between financial crisis and financial stability?
- Over 400 households with individuals with disabilities and over 700 households with children in Riley County and Saint George with assistance with their rent and utility expenses through Shepherd’s Crossing?
- 236,610 total rides on the Flint Hills aTa buses and the Wamego Shuttle Service, providing the majority of passengers with transportation to and from work?
  - Did you also know that every $1 invested in public transportation, including your Konza United Way contribution, generates $4 in economic returns? Konza United Way dollars invested in public transportation in our region help leverage federal and state dollars that are put right back into your local economy.
- AND MUCH MORE

Konza United Way did that thanks to the generous donations of our community.

YOU can help us do even more.
