   A. Codes & By-Laws (Ann Marie) - NO REPORT
   B. Education and Enrichment (Cheryl) - NO REPORT

   C. Elections (Ann Marie for Marilyn)–reported that a run-off vote will be needed for Administration & Finance, since 4 nominations were received for 1 position.
   There were no or not enough nominations in Agriculture, Arts & Sciences, Human Ecology, and Vet Med, so they will continue to be accepted at this time.
   The official vote to accept these nominations by Senate will be done at the August meeting.

   D. Personnel & Benefits (C. Kissee)–discussed keeping or adding the following items to the Position Paper: funding of step increase, continued funding for a 6% COL raise and the longevity bonus, better support of retirees benefits/insurance, funding of top step and/or add more steps.

   Discussed ideas on how to reach out to classified employees–listservs, brown bag lunches, new employee information were all possibilities either already used or easily available. Sandi asked that each college or unit be ready to report on what we already do or plan to do.

   It was suggested that in lieu of the traditional Legislative Day, local legislators be invited to one of the regular Senate meetings, with all KSU classified employees notified and invited as well. One way of notifying employees would be at the Benefits Fair, October 2.

   E. Publicity (M. Garner)–the newsletter has been printed and sent out.

   F. Recognition Ceremony (A. Treinen/L. Hutchins)–a follow-up meeting will be scheduled for the committee; everyone is invited who would like to provide feedback. Ann has created a draft of a form she’d like to have implemented to use to keep track of the process followed when an employee notifies Senate that they were missed at a previous ceremony.
