A. Campus Affairs Committee

1. Classified Employee Recognition Ceremony – Loleta mentioned there was still an outstanding issue with regard to concerns about the refreshments served. Loleta had sent a letter to Chartwell’s. She received a letter back from Bernard Pitts, Director of the K-State Union, which stated they found no reason to accommodate our cause. Loleta mentioned we are not charged for rental of the ballroom and we should be appreciative of that fact, however, there are still some concerns about the food. She will respond with some additional comments. (Chartwell’s is under Union leadership). She did note that the bill for the food was paid.

Sam indicated she needs any information we may have that could be put into a notebook about the ceremony.
