-----Job/Volunteer Opportunities-----

APPLY TO BE A TUTOR WITH THE JUNCTION CITY HIGH SCHOOL AVID PROGRAM – The Junction City High School/USD475 is looking for college students to work with students in the high school's AVID program. The position includes tutoring high school students and working with high school staff to ensure students' success. Tutors will need to work twice a week at JCHS and earn between \$13-\$15/hour. Check out the job description at <http://www.applitrack.com/usd475/onlineapp/jobpostings/view.asp?internaltransferform.Url=&category=Support+Staff&subcategory=Avid+Tutor> or check out the school's website at www.usd475.org. Call 785-717-4000 for more info!

VOLUNTEER WITH THE SCIENCE OLYMPIAD – Want to be a mentor to middle school science students? The Manhattan middle school Science Olympiad team is looking for K-State students to help out! Meetings will be held at Eisenhower Middle School each Thursday from 2:45 - 4:00pm beginning on October 7th (and going until January). Meetings will be in room A104 At Eisenhower Middle School here in Manhattan. Engineering events this year include battery buggy, elevated bridge, trajectory, airplane building, and mouse traps. If you are interested, check out www.soinc.org for the specific events & rules before coming to the meetings. Any questions? Contact Chris Herald, 8th grade science teacher at Eisenhower Middle School, at chrish@manhattan.k12.ks.us.

CAREER AND EMPLOYMENT SERVICES – Looking for a job? Want tips on snagging an internship or a co-op? Check out the links for students at the Career and Employment Services website at <http://www.k-state.edu/ces/students/>.

-----Academic Support-----

SCHOLARSHIP WORKSHOP – Stop by the Union Ballroom on Tuesday, November 3 between 3:30 and 4:30pm to find out where to look for scholarships, how to create a winning scholarship application, how to

maximize your financial assistance opportunities, and enjoy live music. Sponsored by Student Financial Assistance: <http://www.k-state.edu/sfa/scholarshipworkshop.htm>.

NATIONAL STUDENT EXCHANGE - NSE offers affordable academic exchange with nearly 200 colleges and universities in the United State, U.S. Territories, and Canada! The easy travel options and compatibility with Kansas State programs are just a couple of reasons why Kansas State students enjoy NSE. Check out the searchable database of majors at <http://www.nse.org/cmajors.asp> to see what institutions may be possible exchange locations for the students in your department.

STUDY ABROAD – Don't think you have the time or money to study abroad? You're wrong! Stop by the Study Abroad Office in 304 Fairchild to find out more! You can also meet with a Study Abroad Advisor by calling 532-5990.

- K-State Study Abroad Exchange Programs: <http://www.k-state.edu/oip/students/programs/index.htm#exchange>. Many Universities around the world offer summer, semester and year courses. You can sometimes even meet people from those many international Universities, right here at K-State right now!! Find the right University for you!! Make the K-State international connection!!
- K-State Faculty-Led Programs: <http://www.k-state.edu/studyabroad/facultyled/index.htm>. Imagine yourself speaking French in Paris, testing out Food in Italy, or working on your Spanish in Spain or Mexico! There are many options to go around the world with Faculty-Led programs, throughout the year. Have a look and see!
- ISEP Exchange Programs: <http://www.isep.org/students/>. ISEP is a great program that gets students from around the world, to go around the world. Please have a look at the ISEP website to see all the possibilities.
- Scholarship and Financial Aid Session: Wednesday, September 23, 2:00-3:00pm (304 Fairchild). An excellent opportunity for prospective students to find out how to finance a study abroad experience! Jim Hohenbary from Arts & Sciences will discuss external national scholarships, and Manpreet Rai from the Office of International Programs will explain the OIP Scholarship. Ben Kohl from Financial Aid will also be available to talk about Financial Aid options.

ENGINEERING STUDENT SERVICES – Got questions about academic and student issues in the College of Engineering? Check out the Engineering Student Services website at: <http://www.engg.ksu.edu/student-services/index.html>.

SAS TUTORING – go online to <http://www.k-state.edu/wesp/SAS/index.html> to learn more about Scholars Assisting Scholars and the FREE help and advice that you are eligible for. SAS Tutors work with students in Math,

Chemistry, CIS, Physics, and Civil Engineering courses of all levels. Start using SAS early in the semester to give yourself a head start!
