The KSU Fine Arts Students' Potters Guild  
has provided many awesome bowls over the years.  
We cannot thank them enough!

Manhattan High School art students have joined in  
providing us with wonderful bowls each year and  
we are looking forward to more this year!

Manhattan Community members have made bowls at the  
Manhattan Arts Center –Thank you Thank you Thank  
you!

And thank you to local artists  
who contribute their works to this great project.
