

Make A Bowl For Hunger

The KSU Fine Arts Students' Potters Guild
has provided many awesome bowls over the years.
We cannot thank them enough!

Manhattan High School art students have joined in
providing us with wonderful bowls each year and
we are looking forward to more this year!

All in our community are invited, through the
assistance and good will of the Manhattan Arts
Center, (<http://www.manhattanarts.org/menu/mainframe.htm>)
to make bowls to be contributed toward the
cause. For \$5, Staff at the MAC will assist in
making, glazing, and firing bowls.

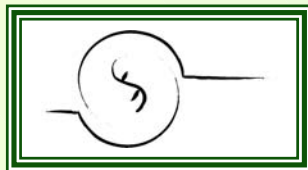

Here are the dates:

Sunday, March 1, from 6-9 pm

Wednesday, March 4, 6-11 pm (must be at least 14 years old Wed.)

Sunday, March 8 from 6-9 pm

Please call the MAC (785.537.4420) for more information.

--We are also having a Celebrity Bowls Auction--
Local artists will be donating bowls that will be available for viewing
and auction. For more information on this event, please contact
Lindsay Beavers at 785.532.6444.
