

A blog from Iran:

<http://uskowioniran.blogspot.com/2008/05/basij-on-maneuvers.html>

Neda's violent death at the hands of Basij Force at the age of 26 and the images of her last moments has already made her the symbol of Iranian people's resistance to Khamanei's reactionary government. Young women have played a vital role during the resistance and Neda could well become a symbol of Iran's national aspiration for freedom and progress.
