Marching Band wind auditions will take place during the first two days of Band Camp. When you return the Confirmation Form included in this packet to us, we will send you the password to our web site to download your section's pre-game music to prepare for playing at the audition. We will teach you our style of marching when you arrive for Band Camp.

Drumline auditions will occur on June 6th. Please e-mail haddad@ksu.edu and check our Drumline website for more information at: www.k-state.edu/band/thepride/drumline.html. Drum line auditions will include prepared performance of material from the KSU Drum Line Handbook (available online), sight-reading, and an on-going assessment of progress during the camp. Individuals may audition on more than one instrument. All positions are open each year. Placement within the line is based largely on this audition process; therefore, gaining a position on an instrument of choice depends upon a successful audition.

All members will be issued uniforms and will attend all games, etc. The alternates are band members who require extra assistance to develop their marching/playing skills. Our staff will work with these members to develop their skills for a spot in the block band.

BAND CAMP HOUSING/INFORMATION

If you have a Residence Hall Contract for 2015-2016 and start Band Camp on the 17th, you will be able to move into your permanent room at your expense. The residence halls open for regular occupancy Saturday, August 22, 2015. Some students, for a variety of reasons (like band camp), have a need to be on campus before this date. You will be charged an additional per day fee of $35 to cover the early arrival costs for housing and your meal plan. You will sign an early arrival agreement when you check in. If you are not participating in sorority recruitment, Housing has asked that you wait to check in after 4 PM on Sunday, August 16th or on August 17th to avoid large crowds checking in on the morning and afternoon of the 16th. You will be asked by Housing & Dining Services in July/early August to indicate your planned move in date. No other communication with Housing is needed. Please consult the move in materials sent by Housing & Dining this summer and/or contact Housing and Dining Services if you have any questions.

Uniforms

ALL ROOKIES (new members) will need to purchase the entire secondary uniform plus pay for the Band Banquet. VETS MUST purchase secondary shirt and shorts as they have been redesigned for the 2015-2016 year, and pay for the Band Banquet. All items will be available for purchase from the Band Office. See the order form in the newsletter. Please fill out your Confirmation and Uniform Order form and mail to the band office with a check payable to KSU Bands. K-State Concert Band
Questions & Answers

There are many tough decisions that a college freshman has to make. Some of the biggest ones involve what school to attend and what to study. Another important decision is whether or not to continue being involved in music in college by participating in bands, especially marching band. Here are some of the questions most often asked by parents and/or students who are considering joining one of the University Bands:

Q. How do I become a member of the KSUMB?
A. All bands at KSU are open to students from any major. High school band experience is the primary prerequisite for membership; however, any musical background will be of help in band (instrumental) admittance.

Q. Do I have to be a music major to play in one of the bands?
A. Not at all! Over 75% of all band members are in some major other than music.

Q. Does the band provide instruments?
A. For a nominal fee, ($35.00 a semester) the KSUMB provides piccolos, clarinets, saxophones, percussion, sousaphones, baritones, trumpets, trombones, mellophones, and flags. Instrument rental is payable to the KSU Bands. We also have some piccolos, flutes, clarinets, saxophones, oboes, bassoons, trumpets, trombones, euphoniums, tubas and percussion instruments, which are also available for the concert bands.

Q. How do I become of member of one of the concert bands?
A. Membership in Wind Ensemble, Wind Symphony, and Concert Band is based on auditions heard at the beginning of each semester. University Band is a non-audition group that meets in the spring semester only. Since there are several bands within the program, there will be an organization appropriate to your level of musicianship.

Q. What do the University Bands have to offer me?
A. University credit towards graduation is awarded for each semester of participation in the university bands. Band at KSU can also make your college years more meaningful and exciting, more than just going to classes and taking exams. You will experience lasting friendships, wonderful trips, spirit, and tremendous pride in one of the outstanding KSU bands available.

Q. If I do not get involved in University Bands the first year, could I still participate later on?
A. Of course; however, the trend is that if you put off participation, the odds are that you will probably never get involved due to a feeling of being “on the outside.”

Q. Are instrumental scholarships available?
A. Yes. Awards are made each year based on academic record and musicianship. These awards are available to non-music majors as well as to those students planning to major in music.

Q. Will band participation take too much of my time?
A. Not if you budget your time wisely. Studies have shown that students who participate in University Bands usually achieve high scholastic indexes. Our marching band rehearsal time, 3:30 PM-5:30 PM TuTH, is scheduled to avoid conflicts with most classes in all departments. If you have a potential class conflict, please contact Dr. Tracz. This time of day welcomes a change of pace!

Q. Can I participate in music ensembles for no credit?
A. Music ensembles are being offered on a variable credit (0, 1 credit hour) basis. Any student whose curriculum has a requirement for that ensemble (e.g., the music major’s major ensemble each semester; the music education two semester marching band requirement; four semesters of MUS 280 or MUS 480 Ensemble Performance for the BM instrumental option; etc.) must enroll for 1 credit hour and pay the fee. A music major who has completed the marching band requirement or is taking an additional ensemble beyond the major ensemble requirement may enroll in the additional ensemble(s) for 0 credit hour (e.g., the music major who is taking concert choir as the major ensemble for 1 credit hour (fee) may also elect to enroll in opera workshop and marching band for 0 credit hour (no fee)). Students who are not music majors may elect to enroll for either 0 credit hour (no fee) or 1 credit hour (fee).
MB Members MUST Return
