Affidavit of Financial Support (applying for Spring 2016 and beyond)

COMPLETION OF THIS FORM IS NECESSARY FOR ADMISSION TO THE GRADUATE SCHOOL AND ELIGIBILITY FOR A GRADUATE ASSISTANTSHIP. THIS AFFIDAVIT AND SUPPORTING DOCUMENTATION MUST BE DATED WITHIN TWELVE (12) MONTHS OF THE INTENDED DATE OF ENROLLMENT.

U.S. immigration regulations require Kansas State University to verify that every international student has the financial resources to pay for all educational, living, and other expenses. If you will be applying for an F-1 student or J-1 exchange visitor/student visa, you must certify that you have sufficient funds to cover your expenses. An I-20 or DS2019 (used to obtain the visa) cannot be issued until this affidavit has been completed, signed, and returned with the appropriate supporting documentation.

Section 1: Applicant's Declaration

I understand that unless I receive financial support from Kansas State University, I must have at least $32,702 (U.S.) per year available to me for my fees and living expenses during my graduate studies. (Breakdown of estimated costs is provided on page 2 of this form.)

I understand that medical care is very expensive in the United States and in the absence of health insurance a full range of medical care may not be available to me. The Kansas Board of Regents requires that all new students admitted to Kansas State University provide evidence of health insurance. Kansas State University strongly recommends that I purchase health insurance for any dependents accompanying me.

My signature certifies that all information provided on this form is complete and accurate, and that I am responsible for all expenses for myself and any dependents accompanying me. Kansas State University is not required to provide financial assistance or employment. In the event financial assistance/employment is awarded, I understand that continued support (beyond the first year) is contingent on many factors, including maintaining satisfactory progress in a degree program and on availability of departmental funding. In the event departmental support is not continued, it will be necessary that I provide my own financial support.
