### 1. What are your Department's mission and vision and how does your organization contribute to achieving the University's and your College's/Major Unit's vision for K-State 2025?

**Mission:** To improve the quality of life and standard of living for Kansans by creating, managing, and delivering research-based information; and offering research and teaching in agricultural and environmental communication and agricultural education.

**Vision:** The vision of the Department of Communications and Agricultural Education is:

- To be recognized as a premier institution for undergraduate and graduate education and research in agricultural communication and education.
- To be a leader in interdisciplinary program development at Kansas State University related to global food systems.
- To lead the effective use of science-based communications and engagement strategies to educate and inform the public on behalf of K-State Research and Extension, the College of Agriculture, and Kansas State University.

### 2. What are your Department's key strategic activities and outcomes?

### 3. Identify [in brackets] which of your Department's strategic outcomes are directly linked to your College's/Major Unit's outcomes. *(If your Department or similar unit is not in a College or Major Unit, skip this question.)*

---

**4a. What resources and/or opportunities exist for your Department to achieve its vision and outcomes?**

Our primary resources are in experienced faculty and staff who are strongly committed to the missions of Kansas State University and K-State Research and Extension. Our excellent undergraduate and graduate students further our reach.
4b. What resources and/or opportunities are **needed** for your Department to achieve its vision and outcomes?

The strong relationships we have developed within the college as well as with Information and Technology Services, Communications and Marketing, the College of Education, Leadership Studies, and Communication Studies are necessary to achieve our outcomes. Further, university/college level support for improved business operations (enterprise-wide accounting system, streamlined human resource system) will enable us to move more nimbly and with better information.

5. How do you propose to acquire the resources needed for your Department to accomplish its vision and outcomes?

By working with our college, K-State Research and Extension, and the KSU Foundation.

6. How does your plan link to the K-State 2025 University Benchmark Metrics, Common Elements, and Thematic Goals, Outcomes, and Metrics?

(See below)
