Graduate School
Graduate School Accomplishments
2011-2016
Mission

Provide exceptional graduate student services that enhance professional and career development, support graduate student research and scholarly endeavors, and create a diverse and inclusive environment that promotes interdisciplinary and cultural interaction, all while advocating for competitive compensation packages for all students.
Major Accomplishments

• Greater visibility of graduate education
• Enhanced operational efficiency
• Increased professional development opportunities for graduate students
• Approval of new graduate degree and certificate programs
Major Accomplishments (Cont.)

• Enhanced recognition of graduate student accomplishments
• Initiation of fund raising efforts in collaboration with K-State Foundation
• Enhanced engagement with alumni
• Obtained space in Eisenhower for Graduate School team offices and collaborative space for graduate students
Enhanced Operational Efficiency

- CollegeNet enhancements and training
  - Improved checklist of students
  - Financial information interface and documents for international students
  - Enhanced instructions on completing applications
  - Dashboards created for each graduate program
  - Individual and group training provided
  - Prospect communication tool added
Sample Dashboard

YTD Admitted by Term for Electrical & Computer Engineering

- FALL 2015
- SPRING 2015
- SPRING 2016
- SUMMER 2015

YTD Admitted by Ph.D., Ed.D. and Masters for Electrical & Computer Engineering

- MASTER'S
- PH.D.
Sample Dashboard

YTD Admitted by Gender for Electrical & Computer Engineering

- Female: 23%
- Male: 77%

ECE Funding for Electrical & Computer Engineering

- Applicant Withdrawal: 21.2%
- Deny Admission: 68.2%
- Recommend for Full Admission: 10.0%
- Recommend Probation: 8.8%
- Recommend Provisional Admission: 2.0%
- Recommend with Funding: 0.6%
Enhanced Operational Efficiency

• Realignment of degree specialists responsibilities
  – Work with both masters and doctoral students from assigned colleges to process documents and accept ETDRs from submission of program of study through graduation

• Initiated weekly Graduate School e-newsletters to replace multiple emails (2015)
New Programs

• Degree Programs
  – 1 Ph.D. Pending KBOR Approval
  – 1 Ph.D. approved
  – 5 M.S. approved

• Certificate Programs
  – 14 approved
Doctoral Degrees Awarded
2011-2016

• 2015-2016  179
• 2014-2015  190
• 2013-2014  166
• 2012-2013  148
• 2011-2012  162

• University Partnerships
  – GSC
  – K-State Libraries, Powercat Financial Counseling, Writing Center, Career Center, and Leadership Studies

• Professional development opportunities
  – Grant Writing
  – Negotiation Skills
  – Leadership Development
  – 3 Minute Thesis
Student Recognition

• Graduate Student Appreciation Week
Current Students

Congratulations! As a graduate student at Kansas State University, you are part of an exciting journey at one of the world's greatest public universities! Graduate study requires high academic achievement that will extend your experience and capabilities within the advanced, specialized areas of your chosen field. The Graduate School is here to help you achieve success in graduate studies and your life beyond graduation.

Graduate study objective
A common objective of graduate studies is to develop the capacities you will need for independent study and research, scholarship and creative discovery. All doctoral programs and most master's programs develop your capacities through advanced course work and through original research under the direction of faculty members who are experts in their fields. While
Recruitment

• Implemented Prospect Module of CollegeNet effective Fall semester 2016

• Goal is to enhance communication to perspective graduate students and graduate programs and the Graduate School
Enhanced Faculty Mentoring

• Mentoring Modules for Advising Doctoral Students

• Graduate Council approved requirement of an Annual Review of Graduate Students effective Fall semester 2016. Programs create the model that works for them.
Support for Graduate Students

• Tuition for GRAs
  – Data to determine costs of program
  – Inclusion in University Budget Proposal

• Increased Stipends for GTAs and GRAs
  – Some colleges have been successful in minor increases

• Fellowship Opportunities
  – Workshops in Collaboration with Office of Research
    and National Competitive Scholarship Office
Fundraising Goal

• Raised $437,233 (44% of Goal)
• 62% endowed
• 38% expendable
• Student Success (40% of Goal)
• Excellence (107% of Goal)
• Programmatic Support (110% of Goal)
Donor by Category

- Donors: 65%
- Faculty/Staff: 28%
- Corporations: 3%
- Friends: 2%
- Foundations: 1%
Alumni Relations

- Inaugural Alumni Reunion April 2015
- Graduate School e-newsletter
- Alumni visits
- Alumni Tailgate 2015
- Social Media
Facilities and Infrastructure

• Move into new space in Eisenhower Hall by Summer 2016

• Graduate Student Life Center
  – New Collaborative Space on Third Floor

• Office Space for Graduate School Team
Priorities FY 2017

• Continue to advocate for more competitive stipends and tuition support for all GRAs
• Implement Prospect to enhance recruitment
• Work with ISO to create an automated system for submission of documents to the Graduate School with electronic signatures
Priorities for FY 17

• Continue to enhance Student Services
  – Focus on excellent customer service for all constituents
  – Implement Strength Quest
  – Provide professional development opportunities that differentiate K-State from our peers
  – Work collaboratively with the Research Office to provide professional development experiences for Post Docs
  – Expand participation in the Three Minutes Thesis and other research and scholarly events
Priorities for FY 2017

• Continue to focus on enhanced alumni relations and fund raising
• Relocate Graduate School to Eisenhower at minimum cost
• Engage graduate students in planning the collaborative space on 3rd floor of Eisenhower
