

# Cumulative GPA Tracker

**Directions:** In order to calculate your cumulative GPA, input the semester year, term GPA, and the number of credits earned for each semester you have taken classes at K-State. Find your cumulative GPA in the purple box.

**PRO TIP:** Do you have a GPA goal? You can change the current semester GPA to see what is needed to get to your cumulative GPA goal.

Semester	Term GPA	Total # of Credits Hours Earned*	Total Points
Example: Fall 2017	2.75	15	41.25
<b>TOTAL:</b>			

Cumulative GPA<sup>\*\*</sup>:  

\*# of credits hours earned is the same as the # of units earned

\*\*Please note, this is a tool to help you estimate your cumulative GPA and may not directly reflect your cumulative GPA at the University.

Questions to ask yourself:

- What scholarships, financial aid, etc. might be impacted by your cumulative GPA?
- What do you need to do in order to get your cumulative GPA goal?
