Imagine your semester... one class meets in person 3–days a week, another class only 1 day, and another class meets fully online. Sounds like a lot, huh? Use the tools below to help stay on top of every course and due date, no matter the format!

**Navigating Expectations**

This tool is designed to help you gather expectations from professors and across your various courses. Use it to document different course formats.

**Semester at a Glance**

Use your syllabi from each class to keep track of all due dates. This is an essential part to keeping up with classes.

**Track Your To-Do’s**

Finally, make a list of what you need to do. Try using a planner, google tasks, or a word document to organize your to-do’s based on class priority.
