

Post Test Review

Directions: After each exam, fill in the chart below based on questions you missed. This helps to identify patterns in your test taking or studying to correct testing mistakes.

Course:

Test:

Date:

| General | | | Reason missed * | | | | | Review Later |
|----------|----------|--------|-----------------|--------------|----------------|--------------------|-----------------------|--|
| ? Missed | Pts Lost | ? Type | Careless Errors | Study Errors | Concept Errors | Application Errors | Test Mechanics Errors | What knowledge were you missing that you needed to get this right? (Review before the final, etc.) |
| Ex: 2 | -3 | T/F | | X | | | X | Didn't study enough, next time read the question slower, changed answer. |
