Directions: After each exam, fill in the chart below based on questions you missed. Identify patterns in your test taking or studying to correct testing mistakes.

Course:		Test:				Date:		
General			Reason missed *				Review Later	
? Missed	Pts Lost	? Type	Careless Errors	Study Errors	Concept Errors	Application Errors	Test Mechanics Errors	What knowledge were you missing that you needed to get this right? (Review before the final, etc.)
Ex: 2	-3	T/F		X			X	<i>Didn't study enough, next time read the question slower, changed answer.</i>

*Sample:	T/F=	For=
	true/false	formula
MC= multiple	Ess=	Cal=
choice	essay	calculation
Ma= matching	Der=	WP= word
	derivation	problem

Careless Errors- skipping or misreading directions Study Errors- Studying the wrong material or not studying enough Concept Errors- not understanding the underlying principles needed to answer questions Application Errors- failing to apply underlying principles correctly Test Mechanics Errors- changing answers at the last minute, leaving items blank, miscopying
