How to Login to your Exchange Student Profile

1. You will receive an automated email with temporary login information. From this email, click the link next to “General non-eID login.”

2. Select “I have login credentials to this site that I have received by email.”
3. Use the temporary login details sent to your email account to login.

4. Choose and answer three security questions. These will be used in the case that you forget your password, so be sure to remember what you answer.
5. Follow the prompt to change your temporary password. **Make note of your password in a separate document or use a password that you will be able to remember.** You will need to log back into your exchange profile several times as you are applying to and preparing to come to K-State.

6. Click to open the incoming exchange application on bottom of the page.
7. Enter the required information for applicant parameters and required addresses. For the question ‘Are you a K-State student?’, select ‘No’. For the country, please click on the box and select from the list of countries.

8. Once you enter the information requested above, you will have access to your exchange student profile. Follow the instructions in your profile to complete the KSU Admissions application and program information questionnaire.

To log back into your exchange student profile at any point throughout the application process, visit https://ksu.studioabroad.com/ and login using the NON-KSU LOGIN/REGISTER at the top right hand side of the page.
