3. Use the temporary login details sent to your email account to login.

4. Follow the prompt to change your temporary password. **Make note of your password in a separate document or use a password that you will be able to remember. You will need to log back into your exchange profile several times as you are applying to and preparing to come to K-State.**

The screenshot shows the 'User Login' page for Education Abroad, but it is prompting the user to change their password. At the top center is the Education Abroad logo. Below the logo, the text 'User Login' is displayed. Underneath that, it says 'Please enter a new password to continue.' There are two password input fields. The first is labeled 'Password *' and the second is labeled 'Password Confirmation *'. Both fields have a lock icon on the left and a clear icon on the right. Below the input fields, there are three radio button options for password requirements: 'Password requires a min. length of 8', 'Password requires number', and 'Password required the use of Uppercase and Lowercase characters'. At the bottom of the page, there is a grey button labeled 'Update Password'.

5. Enter the required information for applicant parameters and required addresses. For the question 'Are you a K-State student?', select 'No'. For the country, please click on the box and select from the list of countries.

Instructions

Welcome!

Thank you for beginning the process of applying to study at Kansas State University.

Your application is in the Pre-Decision Phase. In this phase the office will gather your information and then forward it to International Admissions to make a decision to accept or decline your application to study at Kansas State University.

The Materials Submission area on the right-hand side lists all printed materials you need to submit to our office. It includes forms and copies we need for our records.

The Signature Documents are a list of electronic documents that require your review and electronic signature. It guarantees that you have read and agree to the terms and conditions of each document.

If you are admitted to Kansas State University, you will be notified via email. After the Pre-Decision phase there will be additional documentation for you to submit or electronically sign. Therefore, it is essential that you keep your email address up-to-date and accurate and check it often.
