Recommended Program

Orvieto, Italy

[Kansas State University in Italy](#)

About: Kansas State University in Italy is located in the Italian hill town of Orvieto, in Umbria, Italy. Though open to all students and majors, this summer program is an ideal fit for students interested in Art History and Fine Art. Students will study with KSU faculty members at the Centro Studi Citta di Orvieto and earn KSU credit. The study center in Orvieto occupies a newly renovated building located in the center of the historical district.

Study Abroad (Semester)

Florence, Italy

[API Program: Lorenzo de' Medici](#)

About: Lorenzo de' Medici (LdM) was founded in 1973 in Florence and is Italy's most comprehensive and well-established international institution in higher education. Courses cover topics like art history, painting, drawing, and jewelry design. Summer and semester options are available. Learn about famous works in class, and then go see the artwork itself in your free time!

Melbourne, Australia

[Exchange program: Deakin University](#)

About: Set in Melbourne, Australia's second largest city and rated one of the most livable cities in the world, Deakin allows easy access to beaches and many of the country's cultural institutions. Deakin offers many courses in the Arts, including studio art classes, design classes and more.

Hirakata City, Japan

[Exchange program: Kansai Gaidai University](#)

About: Hirakata City is located in the Osaka region, which is the second largest business metropolis in Japan. Kansai Gaidai welcomes about 700 international students from all over the world each year. In addition to language classes for all levels, students at KGU can take numerous Art courses in English. The university also offers a selection of Social Science, Humanities, and Business courses.

Study Abroad (Summer)

San José, Costa Rica

[KSU in Costa Rica](#)

About: KSU, in collaboration with API study abroad and Veritas University, offers students the opportunity to study alongside other KSU students as well as students from around the world. Students may select Spanish language courses from the beginning to advanced levels, complete a multitude of elective coursework in Spanish or English, or enroll in art, design and architecture courses with local Costa Rican students

Madrid, Spain

[USAC program: Universidad Rey Juan Carlos](#)

About: Students can enroll in Art History courses in English focusing on masterpieces of European art. In the past, this program has also included field trips to world renowned museums, such as the Prado, the Sorolla, and the Reina Sofia. If desired, students can even take art classes taught in Spanish.

Aix-en-Provence, France

[IAU Program: Marchutz School of Fine Arts](#)

About: At the Marchutz School of Fine Arts, the core program combines daily practice in painting and drawing with readings in literature and philosophy in an Art Criticism and Aesthetics seminar. Students can also take photography, sculpture, advanced drawing classes, or French language classes. Semester classes are also available.

Service Learning Abroad (Summer)

South Africa, Dominican Republic, Gambia, Paraguay, and Kenya

[International Service Teams](#)

About: International Teams is a service-learning program of interdisciplinary teams of Kansas State University students. Teams travel and live in communities around the world during the summer break. International Teams work with community partners to engage in local community work abroad on a variety of meaningful projects. Previous placements have focused on health, education, environmental and sustainability concerns, and youth development.
