Study Abroad (Summer)

Orvieto, Italy

*Kansas State University in Italy*

**About:** Located in the Italian hill town of Orvieto, and centrally located between Rome and Florence, with both cities just a short train ride away. This is KSU’s premiere summer study abroad program in Italy and is open to all students and majors. Students will study with KSU faculty members at the Centro Studi Citta di Orvieto and earn KSU credit.

Prague, Czech Republic

*Direct enroll: Charles University, East Central European Studies Program*

**About:** Study at one of Central Europe’s oldest universities. Courses in History, Literature, and Art & Culture. This is also one of the most affordable options. Semester options available.

Teach Abroad

China, Thailand, Vietnam, France, Italy, Colombia, Costa Rica, and Mexico

*Academic Program International Teach Abroad*

**About:** Academic Programs International offers students the ability to teach English, work as a Teaching Assistant, or tutor overseas. These opportunities allow students to travel budget-friendly, give back to a community, immerse yourself in a new culture, and gain practical teaching experience. Students can help others to expand their personal and professional opportunities, and broaden your own perspective, through your interactions within the school and community. API will provide students with the support and security needed to successfully plan for the overseas experience.

Intern Abroad

Australia, Chile, China, England, New Zealand, South Korea, and Spain

*International Studies Abroad Internships*

**About:** International Studies Abroad internships provides unique opportunities to develop personally and professionally through high-quality global internship experiences. They offer full-time, structured, unpaid international internships in a wide variety of career fields and business sectors around the world with the option to receive academic credit. The goal is to find the right international internship for each student based on their area of study, skills, and future career goals. All locations have the option to intern in English, unless the student has host language proficiency.
