Recommended Program

Various Locations, Guatemala

Education abroad in Guatemala

About: The Department of Food, Nutrition, Dietetics and Health has organized this opportunity for juniors, seniors or graduate students in the department to participate in various service learning placements in Guatemala with start dates in August, January and May. Placement examples include working in a medical clinic, disease prevention education, or community health assessment. Contact Linda Yarrow at lyarrow@ksu.edu for more information.

Study Abroad (Semester)

Melbourne, Australia

Exchange: [Deakin University](#)

About: Deakin University offers all majors a full complement of specialized and general education courses. Set in Melbourne, Australia's second largest city and rated one of the world's most livable cities, the campus allows easy access to beaches and many of the country's cultural institutions.

Dublin, Ireland

Exchange Program: [University College Dublin](#)

About: The UCD exchange program features outstanding learning and research opportunities at one of the top-ranked institutions in the world. UCD has established a long and distinguished tradition of service to scholarship and to the community. Students may take courses, or "modules," in Human Nutrition.

Bangkok, Thailand

Program Provider: [Education Abroad Network: Semester in Thailand](#)

This study abroad program, based in Salaya just outside of Bangkok, is focusing on various disciplines including Business, Economics, Social and Natural Science and more. You can participate in Mahidol University student organization activities to experience the Thai student life.

Auckland, New Zealand

Program Provider: [USAC Auckland / Palmerston North / Wellington](#)

About: This program offers you the opportunity to enroll in a wide range of Massey University's prestigious and innovative courses across the five colleges: Business, Education, Sciences, Humanities and Social Sciences, and Creative Arts. With unique Kiwi cultural experiences, New Zealand is the ideal place to live and study.

Study Abroad (Summer)

Florence, Italy

Program Provider: [API Semester Business, Arts, Humanities, Italian Language and Culture in Florence](#)

About: We invite you to spend your summer in magnificent Florence with API. You can choose from a wide array of arts, business and humanities courses taught in English, or study Italian language, all while living in one of the world's most beloved cities. You can earn valuable academic credit toward your degree, and you'll have the opportunity to experience the warm and friendly Italian culture, see world-famous works of art and stunning architecture, and explore the incredible beauty of Florence and its surroundings!

Canberra, Australia

Program Provider: [The Australian Sporting Industry](#)

About: This is a unique 3 week traveling program allowing for the opportunity to explore aspects of Australia's sporting industry from both a professional and recreational perspective. This program provides students with the opportunity to observe and participate in activities that combine both theoretical and practical knowledge of Australian sport. Students will gain coaching advice, increase their marketing skills by marketing sports the Australian way, along with gaining an insight on nutrition, sports research, psychology, and human movement and fitness.

Chang Mai, Thailand

Program Provider: [USAC Chang Mai](#)

About: The Chiang Mai program is the perfect opportunity to live and study in a lively, vibrant city in one of the most scenic areas of an already very beautiful country. The curriculum integrates multiple disciplines in order to respond to the ever-changing issues and events surrounding the country and region. In exploring Chiang Mai and the surrounding area, you will discover both what makes it a beloved part of Thailand for visitors and locals alike; though a popular destination, while living and studying there you will find easy access to non-touristy areas for a unique, colorful, profound experience.

Intern Abroad

Australia, Chile, New Zealand, Spain

Program Provider: [Custom ISA Internships](#)

About: ISA Internships provides unique opportunities to develop personally and professionally through high-quality global internship experiences during the summer or semester. All ISA Internship Placements are customized for each student, but you can browse through example placements here:

Serve Abroad

South Africa, Dominican Republic, Gambia, Paraguay, and Kenya

[International Service Teams](#)

About: International Teams is a service-learning program of interdisciplinary teams of Kansas State University students. Teams travel and live in communities around the world during the summer break. International Teams work with community partners to engage in local community work abroad on a variety of meaningful projects. Previous placements have focused on health, education, environmental and sustainability concerns, and youth development.
