Study Abroad (Semester)

Nakhonpathom, Thailand

TEAN Program: [Mahidol University International College](#)

About: Nakhonpathom is referred to as the oldest city in Thailand and is just a short distance from the capital of Bangkok. MUIC is the international component of Thailand's oldest university. Here you will get to take courses with both Thai and international students.

Hatfield, United Kingdom

Exchange program: [University of Hertfordshire](#)

An hour from London, the University of Hertfordshire gives you the best of both worlds. You'll live in an active university town with pubs, cinemas, and shopping centers but have easy access to the bustle of London. Coursework is broad enough to satisfy the needs of most majors.

Melbourne, Australia

Exchange program: [Deakin University](#)

Deakin University offers a full complement of specialized and general education courses, making this a good fit for most Anthropology students. Melbourne is rated one of the world's most livable cities, with easy access to beaches and many of the country's cultural institutions

Auckland, New Zealand

TEAN Program: [University of Auckland](#)

The University of Auckland's traditional, sprawling campus sits in the heart of Auckland's city center, providing access to the cultural and commercial amenities of the city. As a prestigious research university, the University of Auckland provides classes in many subjects, including Geography, Geographic Information Science, Environmental Studies, and more.

Study Abroad (Summer)

Orvieto, Italy

[Kansas State University in Italy](#)

Located in the Italian hill town of Orvieto, and centrally located between Rome and Florence, with both cities just a short train ride away. This is KSU's premiere summer study abroad program in Italy and is open to all students and majors. Students will study with KSU faculty members at the Centro Studi Citta di Orvieto and earn KSU credit.

Florence, Italy

[API Program: Lorenzo de' Medici](#)

Lorenzo de' Medici (LdM) in Florence is Italy's most comprehensive and well-established international institution in higher education, providing students with authentic intercultural learning. *Summer and semester* coursework in Geography and other Arts & Sciences courses.

Research Abroad (Summer)

Liverpool, United Kingdom

[Direct Enroll: University of Liverpool](#)

About: Spend your summer at the University of Liverpool alongside university researchers and faculty. Past summer research projects have included fields like environmental science, psychology, life science, and computer science. While completing the research project, you will have access to libraries, the fitness center, accommodation, and other university services.

Service Learning Abroad (Summer)

South Africa, Dominican Republic, Gambia, Paraguay, and Kenya

[International Service Teams](#)

About: International Teams is a service-learning program of interdisciplinary teams of Kansas State University students. Teams travel and live in communities around the world during the summer break. International Teams work with community partners to engage in local community work abroad on a variety of meaningful projects. Previous placements have focused on health, education, environmental and sustainability concerns, and youth development.
