Study Abroad (Semester)

Perth, Australia

[Exchange program: University of Western Australia](#)

Great for: Biology, Microbiology, Pre-Health, Pre-Vet, and Fisheries, Wildlife, and Conservation

About: The University of Western Australia in Perth is located on the Swan River, and offers a variety of courses for Biology students to choose from. Students can also study at the Albany campus, which is in the middle of a global biodiversity hotspot and home to the UWA Center of Excellence in Natural Resource Management.

Whakatīwai, New Zealand

[University of New Hampshire, EcoQuest \(Unaffiliated\)](#)

Great for: Environmental Biology, Environmental Science, and Fisheries, Wildlife and Conservation

About: This rural, hands-on, and rigorous field-based program provides students with opportunities to learn more about conservation and resource management, and participate in research.

Copenhagen, Denmark

[Danish Institute for Study Abroad \(DIS\)](#)

Great for: Environmental Science, Biology, Sustainability Studies

Take your studies to the Arctic North with DIS. NRES majors can spend their semester in the picturesque city of Copenhagen, Denmark, and participate in study tours to Arctic Norway, Iceland, or Greenland. Combine science classes with humanities electives, or focus solely on environmental studies.

San José, Costa Rica

[API Program: Universidad Veritas](#)

Great for: Spanish, Biology, Anthropology

About: The Spanish Language, Liberal Arts, & Environmental Studies program allows students to combine interests in a variety of fields. Students also participate in visits to the Arenal Volcano, an international excursion to Panama, and more.

Research Abroad (Summer)

Hawke's Bay, New Zealand

[*Universities Studies Abroad Consortium USAC, Hawke's Bay, New Zealand*](#)

This is a six week program involving a 2 week field expedition across New Zealand's diverse geographic and geologic terrain, followed by a 4 week internship with regional land management agencies, environmental organizations, and agribusinesses, among many other placements.

Service Learning Abroad (Summer)

South Africa, Dominican Republic, Gambia, Paraguay, and Kenya

[*International Service Teams*](#)

International Teams is a service-learning program of interdisciplinary teams of Kansas State University students. Teams travel and live in communities around the world during the summer break. International Teams work with community partners to engage in local community work abroad on a variety of meaningful projects.
