The following is a sample of programs. Search the complete program list at www.ksu.edu/abroad

Recommended Program

Orvieto, Italy

Italian Studies Program, Semester

Available to: Architecture, Interior Architecture & Product Design, Landscape Architecture, and Regional & Community Planning

Scholarship Options: Dean’s Italian Studies Scholarship, Ben Hakimian Study Abroad Scholarship, and Anderson Family Study Abroad Scholarship

Orvieto is an ancient city that sits on a massive cliff of tufa overlooking a valley that has been occupied since the end of the 5th century BCE. Students live in apartments in the historical city center and are able to take advantage of the many cultural opportunities of the city and surrounding region.

Orvieto, Italy

[Kansas State University in Italy, Summer](#)

Available to: Architecture, Interior Architecture & Product Design, Landscape Architecture, and Regional & Community Planning

Kansas State University in Italy is located in the Italian hill town of Orvieto, in Umbria, Italy. Orvieto is centrally located between Rome and Florence, with both cities just a short train ride away. Students will study with KSU faculty members at the Centro Studi Citta di Orvieto and earn KSU credit in a newly renovated building located in the center of the historical district.

Study (Semester)

Perth, Australia

[University of Western Australia](#)

Available to: Architecture, Interior Architecture & product Design, and Regional & Community Planning

One of the nation’s top schools, UWA offers state-of-the-art facilities in a more offbeat part of Australia, the Western Coast.

Sydney, Australia

[University of Sydney](#)

Available to: Architecture

Situated in one of Australia’s most dynamic cities, the University of Sydney offers you the opportunity to study at one of the top ranked universities in the world, all while living at the cutting edge of Australian culture.

Sydney, Australia

[University of New South Wales](#)

Available to: Regional & Community Planning

The campus is just a few miles from downtown Sydney, and is ranked among the top 50 universities in the world.

Prague, Czech Republic

[Czech Technical University](#)

Available to: Architecture and Interior Architecture & Product Design

If you want to experience a more relaxed, less expensive Europe, you can do it here in the historic and culturally rich Czech capital.

Copenhagen, Denmark

[Danish Institute for Study Abroad \(DIS\)](#)

Available to: Architecture, Interior Architecture & Product Design, Landscape Architecture, and Regional & Community Planning

Scholarship Option: DIS (Study Abroad of Scandinavia) KSU Scholarship

Copenhagen offers culture, entertainment, cafes, transportation, and a small-town atmosphere. The studio core courses and study tours are intended to expand students' professional skills and knowledge through interaction with Danish architects and designers.

Coburg, Germany

[Coburg University of Applied Sciences](#)

Available to: Interior Architecture & Product Design

Located in Bavaria, Coburg combines a small town feel with medieval roots. Basic German proficiency is required, as courses are taught in German.

Trier, Germany

[Trier University of Applied Science](#)

Available to: Interior Architecture & Product Design

Given its historic streets and structures, Trier understandably claims to be the oldest city in Germany. Basic German proficiency is required.

Copenhagen, Denmark

[Danish Institute for Study Abroad \(DIS\)](#)

Scholarship Option: DIS (Study Abroad in Scandinavia) KSU Scholarship

Copenhagen offers culture, entertainment, cafes, transportation, and a small-town atmosphere. The studio core courses and study tours are intended to expand students' professional skills and knowledge through interaction with Danish architects and designers.

London, England

[API UAL – Central Saint Martin' College of Art and Design Summer](#)

Scholarship Option: API (Academic Program International) KSU Scholarship

Description: Central Saint Martin's large, purpose-built campus is an exciting and energetic creative factory, bringing together students from the widest range of disciplines under one roof. Summer courses there provide a great opportunity to attend an intensive course where students work independently with the guidance of UAL faculty.
