The following is a sample of programs. Search the complete program list at www.ksu.edu/abroad

Faculty-led Programs (Winter or Summer)

ATID students have the opportunity to participate in short-term (1-3 week) programs led by K-State faculty members. Faculty-led programs allow students to travel with other K-State students and earn KSU credit. Past ATID programs have included visits to Guatemala, Italy Switzerland, Germany France, Hong Kong and South Korea. Please check with Education Abroad for an [up-to-date list of current faculty-led programs](#).

Study Abroad (Semester)

Canberra, Australia

Exchange: [University of Canberra](#)

About: Study fashion, design, and marketing in the Australian capital! The University of Canberra has a vivid campus with many options for ATID students. The campus is beautifully situated between the heart of the nation's capital and the beauty of Australia's bush land and native wildlife. It offers quality, career-oriented programs in fashion, among many other fields, and a strong focus on academic excellence.

Hong Kong, Hong Kong S.A.R., China

Exchange: [Hong Kong Polytechnic University](#)

About: Hong Kong Polytechnic University sits at the beating heart of Kowloon, one of the oldest and most exciting neighborhoods in Hong Kong. This urban campus features English-language courses in apparel and textiles, as well as courses in Mandarin or Cantonese. Its program is fully equipped with large workspaces and the most recent design technology; in the spring semester, students may even participate in a fashion show.

London, England, United Kingdom

Direct Enroll: [Regent's University in London](#)

About: Formerly known as American Intercontinental University (AIU), Regent's University London is one of the best academic fits for AT majors. Much of its coursework mirrors K-State's curriculum, making it easy to choose equivalent classes. Regent's also features summer programs in addition to its semester-long options, including one summer program that travels between London and Paris.

Study Abroad (Summer)

Copenhagen, Denmark

Direct Enroll: [Danish Institute for Study Abroad \(DIS\)](#)

About: With over fifty years of experience, the Danish Institute for Study Abroad features many well-respected programs in a variety of human ecology and arts and sciences fields. Interior Design students, in particular, may benefit from studying in this mecca of Scandinavian design. Copenhagen combines small-city and historic charm with modern sophistication and sustainability, making it one of the happiest cities anywhere. DIS features both summer and semester-long programs.

Florence, Italy

Direct Enroll: [Lorenzo de Medici](#)

About: The Lorenzo de Medici Institute (or LdM) is one of the most popular programs for K-State students and certainly features strong coursework and opportunities for ATID students. With its main campus in the historic and charming city of Florence, and smaller campus in Rome and Tuscania. Students may satisfy both major requirements as well as general education and elective classes with LdM's wide catalog.

Intern Abroad

Australia, Chile, China, England, New Zealand, Spain

Program Provider: [ISA Internships in Fashion and Architecture](#)

About: ISA Internships provides unique opportunities to develop personally and professionally through high-quality global internship experiences during the summer or semester. All ISA Internship Placements are custom, but examples of past placements include: Interior Design Internship in Shanghai and Public Relations for Fashion in London.

Serve Abroad

South Africa, Dominican Republic, Gambia, Paraguay, and Kenya

[International Service Teams](#)

About: International Teams is a service-learning program of interdisciplinary teams of Kansas State University students. Teams travel and live in communities around the world during the summer break. International Teams work with community partners to engage in local community work abroad on a variety of meaningful projects. Previous placements have focused on health, education, environmental and sustainability concerns, and youth development.
