Recommended Programs

Belfast and Derry, Northern Ireland, United Kingdom

Faculty Led: [Peace and Conflict in Northern Ireland](#)

About: This course study will examine the historical, political, and religious roots of Northern Ireland's conflict. The focus of study also will include an analysis of the area's traditions and exploration into the ways in which this divided society copes with the attendant political, economic, and social problems. Prospects for continued and sustainable peace in this region, as well as how progress is being made, also will be examined.

Asuncion, Paraguay

Faculty Led: [Problems in Early Care and Education in Paraguay](#)

About: This course is designed to give students the opportunity to explore the history of the country, cultural, economic, and educational issues affecting young children in Paraguay. Study tour components will include a visit to the U.S. Embassy, observation and teaching in early childhood classrooms in a variety of public and private Paraguayan schools, collaboration with students from the National University of Paraguay/Instituto Superior de Educacion, visiting surrounding areas near Asuncion, and exploration of the culture of Paraguay.

Study Abroad (Semester)

Hatfield, England, United Kingdom

Exchange: [University of Hertfordshire](#)

About: An hour from London, the University of Hertfordshire gives you the best of both worlds: an active university town and easy access to the bustle of London. FSHS majors may find a variety of coursework to fit their requirements as well as a great deal of general education or elective courses.

Hong Kong, Hong Kong S.A.R., China

Exchange: [Hong Kong Polytechnic University](#)

About: Hong Kong Polytechnic University sits at the beating heart of Kowloon, one of the oldest and most exciting neighborhoods in Hong Kong. This urban campus features English-language courses in social work, as well as courses in Mandarin or Cantonese. Learn new styles in the glimmering, diverse, metropolis of Hong Kong while you sample countless dimensions of East Asian culture.

Canberra, Australia

Exchange: [University of Canberra](#)

About: The University of Canberra has a vivid campus with many options for FSHS students. The campus is beautifully situated between the heart of the nation's capital and the beauty of Australia bushland and native wildlife. It offers quality, career-oriented programs in many fields and a strong focus on academic excellence.

Study Abroad (Summer)

Reggio Emilia, Italy

Program Provider: [USAC Reggio Emilia, Italy](#)

About: With fewer than 200,000 inhabitants and an award-winning university, Reggio Emilia is a perfect location for students looking to immerse themselves in Italian culture away from crowded tourist destinations. Students can take courses in health, education, communications, and Italian Studies. Students can study at Reggio Emilia during the summer or for a semester.

Gold Coast, Australia

Program Provider: [ISA Bond University](#)

About: Bond's campus offers students the atmosphere of a U.S. style campus with easy access nearly 40 miles of Gold Coast beaches. Bond University is nationally recognized as having the smallest student-to-staff ratio and offers a wide array of subjects across multiple disciplines.

Intern Abroad

Australia, Chile, New Zealand, Spain

Program Provider: [Custom ISA Internships](#)

About: ISA Internships provides unique opportunities to develop personally and professionally through high-quality global internship experiences during the summer or semester. All ISA Internship Placements are customized for each student, but you can browse through example placements here:

Serve Abroad

South Africa, Dominican Republic, Gambia, Paraguay, and Kenya

[International Service Teams](#)

About: International Teams is a service-learning program of interdisciplinary teams of Kansas State University students. Teams travel and live in communities around the world during the summer break. International Teams work with community partners to engage in local community work abroad on a variety of meaningful projects. Previous placements have focused on health, education, environmental and sustainability concerns, and youth development.
