Study Abroad (Semester)

Puebla, Mexico

Exchange program: Universidad Popular Autonoma del Estado de Puebla

About: Universidad Popular Autonoma del Estado de Puebla (UPAEP) is a young and dynamic university in the heart of downtown Puebla. UPAEP has a commitment to improving the international awareness of its graduates and is focusing its efforts on sending more of its students abroad while welcoming students from other universities.

Buenos Aires, Argentina

API Program: Universidad de Belgrano

About: Study in Argentina's capital and take advantage of the broad course catalog that Universidad de Belgrano offers through API. Get a closer look at local life in Argentina by living with a host family! Students can choose to take one intensive language course at the beginning of the term, a semester long intensive course, or enroll in classes with local students for an immersive academic experience.

Madrid, Spain

USAC Program: Universidad Rey Juan Carlos

About: Study in Madrid to improve your Spanish language skills through language classes, culture classes, and the opportunity to live with a host family. Offering classes for beginners or advanced Spanish speakers, this USAC program is a great choice for many majors looking to learn or improve their Spanish skills.

Santiago, Chile

USAC Program: Universidad Andrés Bello

About: Earn up to 12 credit hours of Spanish language and topics courses while living in the cultural hub of Santiago. Enjoy the symphonies, food, local markets, and parks that the city offers, or travel outside of Santiago to experience the Atacama Desert. Students in upper level Spanish courses can also participate in an internship during their semester abroad.

Study Abroad (Summer)

Salamanca, Spain

Direct enroll program: University of Salamanca

About: University of Salamanca is a great option for students wanting to participate in an intensive Spanish language programs. The program called Cursos Internacionales, is open to all levels of language learners. This program offers flexible dates and course loads, so it's easy to customize to your preferences. Students can enroll in 3 month periods during the semester, or programs in the summer that range from 2 to 6 weeks.

Havana, Cuba

API program: University of Havana

About: Art and Caribbean culture flourishes in the dynamic city of Havana. In addition to experiencing the colonial charms of old Havana, students have numerous opportunities to explore the island and interact with locals. There are opportunities to study in Cuba during the semester, summer, and winter intersession.

Cusco, Peru

ISA Program: Universidad de Salamanca Cursos Internacionales en Cusco

About: Spending a summer in South America is a perfect way to continue working on Spanish language skills in between regular classes. Not only do students have the chance to spend a summer in the picturesque city of Cusco, but there is also the opportunity to visit great historical and archeological sites like Machu Picchu. Living with host families or in apartments allows students to truly experience the Peruvian lifestyle.

Serve Abroad (Summer)

Dominican Republic, Paraguay, and others

International Service Teams

About: International Teams is a service-learning program of interdisciplinary teams of Kansas State University students. Teams travel and live in communities around the world during the summer break. International Teams work with community partners to engage in local community work abroad on a variety of meaningful projects. Previous placements have focused on health, education, environmental and sustainability concerns, and youth development.

Chile, Costa Rica, Dominican Republic, Peru

ISA Service-Learning programs

About: Participate in service projects from 4 to 8 weeks in length. Placement fields include child and family development, health care, education, animal care, human rights, community agriculture, and environment and conservation. Credit and non-credit options available.
