Faculty-led programs are short-term study tours over breaks, intersessions, or summer in which you learn and travel with a K-State professor and students. Cultural activities and excursions are often included. Due to a constant cycle of changing faculty-led programs, the best way to view programs that are currently available is this list, at <https://ksu.studioabroad.com/?go=FacultyLed>

Exchange programs allow you to pay in-state tuition and fees while attending one of our more than eighty partner universities. These programs offer you a more independent experience and are generally for a semester or year. A list of programs can be viewed at <https://ksu.studioabroad.com/?go=ExchangePrograms>
