

Teaching Resources

We've curated helpful resources to support your teaching and course development.

Have questions about this flyer? Please email us at idteam@ksu.edu.

Instructional Design Support

ksu.edu/instructional-design

The Instructional Design team specializes in course quality assurance, learner-focused activity design, and accessibility. For personalized support, email idteam@ksu.edu

Teaching & Learning Center

k-state.edu/tlc

The TLC offers instructional support to faculty. Visit the [Engage The Sage](#) YouTube channel and weekly [Professional Development Series](#) every Wednesday at noon on Zoom.

Accessible Course Design

tinyurl.com/k-state-accessibility

This page features various accessibility resources to help ensure your course is accessible to everyone. Find information about Ally, the Dos and Dont's of Digital Accessibility, and more!

Digital Accessibility Workbook

tinyurl.com/2025-workbook

This workbook provides comprehensive guidance on making Canvas content accessible, strategies for remediating content through Ally, and step by step instructions for reaching our accessibility goals.

Canvas 101 Training

tinyurl.com/k-state-canvas101

Canvas 101 is a self-paced training that teaches you how to use Canvas for your teaching. Learn how to set up, design, create, and manage your Canvas course with best practices in mind!

Online Course Design Institute

tinyurl.com/ocdi-training

This 8-week asynchronous training equips participants with essential online course design skills. By the end of the program, you will have developed your own online course.

K-State Canvas Template

tinyurl.com/k-state-template

Streamline your course design with the K-State Canvas Template! This ready-to-use template includes a pre-designed homepage, sample pages, optimized settings, and more.

Mediasite

k-state.edu/mediasite/

Create videos with Mediasite using your webcam and screen capture, and auto-create captions for ADA-compliant videos to insert into Canvas. You can also organize your videos with Mediasite.
