Announcements

Welcome to Navigate! Please take a moment to explore and familiarize yourself with the action icons in the navigation bar to the left. Here is where you will be notified about messages, schedule appointments with your academic advisor, and find out about university resources.

If your advisor is not listed as an option in the Appointments area, please email them directly. Additional resources are available through the Student Success Canvas course. If you have questions about Navigate, email navigate@ksu.edu or visit our [website](#) for more information.

Get individualized academic, financial, and well-being support through Navigate!

The newest feature in Navigate, I Need Help, is now available using the **green hand waving icon**. These alerts allow students to request information about non-emergency resources related to academic success, financial well-being or personal well-being. After submitting an I Need Help alert using the icon, students will get personalized support within 2 business days.
