

# PRE-OCCUPATIONAL THERAPY

## Advice for pre-occupational therapy students

Gain experience through shadowing, internships or volunteering.

Ask questions of field professionals to help narrow down your interests and future career goals.

While a particular major is not required for application to occupational therapy programs, the most common majors are:

- biology
- human development and family science
- integrative physiology
- integrative human sciences
- kinesiology
- life science
- nutrition and health
- psychology

**GO BEYOND THE CLASSROOM**

Pre-Occupational Therapy Club

Pre-Health Ambassadors

Alpha Epsilon Delta

## Common occupational therapy schools K-State students apply to:

- University of Kansas
- Rockhurst University
- Creighton University
- University of Saint Mary
- University of Missouri
- University of Nebraska
