

CAREER SHEET

Academic advisors can complete this career sheet and provide it to students in their major as an informational handout. Students can highlight areas of interest and opportunities for growth then use it as an individualized plan toward meeting career goals. Advisors and students may choose to save this in Navigate Notes and use it as a reference tool during conversations about career goals.

Major:	
Student Goals (Student):	
Common Career Paths (Advisor):	Top Job Skills (Advisor):
Internship/Shadowing Notes (Advisor):	Supplemental Programs (Advisor):
Miscellaneous/Good to know (Advisor):
