

ACADEMIC ADVISING AT-A-GLANCE

This infographic outlines essential steps advisors take to effectively support students in their academic journey. These actions are informed by K-State's academic advising [mission and vision](#).

01

WELCOME

Academic advisors offer a warm welcome to new K-State students through an orientation program.

02

INFORM

Academic advisors inform students about degree requirements and academic policies through 1:1 appointments and routine outreach.

03

TEACH

Academic advisors teach students to take agency in their university experience by providing tools for planning academic and career goals.

04

CONNECT

Academic advisors connect students to academic and personal resources available across campus to support success and well-being.

05

ENGAGE

Academic advisors engage students by encouraging involvement in student organizations, mentoring programs, and research opportunities.

06

CELEBRATE

Academic advisors celebrate students at graduation events and as milestones are reached along the way.
