ABSTRACT DEADLINES IN 2019:

Monday, March 11 – Abstracts due for Oral Presentation consideration

Monday, May 20 - Abstracts due for Poster Presentations

OVERVIEW

The symposium focuses on new insights gleaned from analyzing arthropod genomes and is designed for scientists interested in genomic studies of Arthropods, both model organisms and those of agricultural or health relevance. The program will include platform presentations, welcome reception and arthropod genomics-related poster sessions. A few poster abstract submissions will be selected for platform presentations. Postdoctoral, graduate, and undergraduate students are also encouraged to attend. Sessions begin Wednesday evening, June 12, with a Welcome Reception featuring our Keynote Speaker and conclude Friday evening, June 14, with a walk and dinner on Konza Prairie.
